

GRAND OCEAN SPRAY 8 DAY GALAPAGOS CRUISE B

Discover the diverse landscapes and wildlife of the Galapagos on a seven-night expedition aboard the M/C Grand Ocean Spray. From sea lion colonies and crystal-clear waters around San Cristobal to the volcanic landscapes of Bartolome and the bird-rich shores of Genovesa, the itinerary combines hiking, snorkelling, kayaking and dinghy excursions. Explore the historic Post Office Bay and exceptional marine life of Devil's Crown on Floreana, encounter giant tortoises and conservation work on Santa Cruz, and finish among the sea lions and white sands of Mosquera Islet.

ITINERARY

DAY 1. SATURDAY

San Cristobal airport

Arrive at San Cristobal airport where you will be transferred to the vessel.

Kicker Rock

An impressive geological formation due to erosion. It is a nice place to take pictures while the vessels circumnavigate around the rock.

DAY 2. SUNDAY

Pitt Point

An "otherworldly" visitor point - it feels like you have stepped out onto another planet!

Witch Hill

A tuff cone hill located south west from San Cristobal. A dinghy ride will take passengers into amazing rock formations along the

island shore. A white sand beach and crystal-clear waters are part of this enchanted location.

DAY 3. MONDAY

Post Office Bay

Or you will go to the Post Office Bay, leave your letter for a loved one! This used to be a legendary post barrel that whalers historically used to post their mail in.

Cormorant Point

Or visit Cormorant Point where you will land on a green olivine sand beach. Following a 100 meters long path you will soon reach a lagoon with flamingos.

Devil's Crown

Devil´s Crown that is an underwater volcanic crater, almost covered completely by Galapagos waters of Floreana Island. Here we will have the opportunity to snorkel with sharks, sea turtles and rays

DAY 4. TUESDAY

Black Turtle Cove

There might be sharks, sea turtles, herons, or even a school of Golden Rays gently gliding through the water as we appreciate it from our pangas

Bartholomew Island

Home to the iconic, pointy Pinnacle Rock. The beaches at the foot of the Pinnacle Rock are excellent for snorkeling. You'll get to snorkel with penguins!

DAY 5. WEDNESDAY

Genovesa Island, Darwin Bay

Darwin Bay, the long-eroded remnants of a prehistoric volcanic crater, here colonies of the Great Frigates are found along the beach and Red-footed boobies nest in the trees.

Genovesa Island, El Barranco

A carved out of stone stair. During this easy stroll you will cross a small Scalesia forest, habitat of the short-eared owl.

DAY 6. THURSDAY

Espumilla Beach

Or a visit to Espumilla Beach will take place. It is a pristine sandy beach and a popular place for marine iguanas, Sally Lightfoot Crabs, herons and octopi.

Buccaneer Cove

Pirates and whalers used to stop in Buccaneer Cove to repair their ships, take on fresh water, and capture tortoises for food. Now, it is a nice place for a zodiac ride, snorkeling and kayaking.

Egas Port

Once the site of a salt mine, but now this impressive black sand beach is an excellent location for snorkeling and observing shorebirds, and marine iguanas.

DAY 7. FRIDAY

North Seymour Island

It contains the largest colony of magnificent frigate birds in the Galapagos. There is also a large population of blue-footed boobies that perform an amusing courtship dance

Santa Cruz Island - Highlands

Admire the famous giant tortoises in the wild. Varied wildlife, and other geological surprises, such as sinkholes and massive lava tunnels.

Charles Darwin Research Station

Charles Darwin Research Station, the tortoise breeding station, you can encounter tortoises of different subspecies, which are prepared for reintroduction.

DAY 8. SATURDAY

Mosquera Islet

Lava gulls, sea lions, Sally light foot crabs inhabit this sand bank with an extension of over 600 meters. It also hosts the largest populations of sea lions and orca whales

Baltra Island Airport Departure

After this last visit, transfer to Baltra airport for your return flight to mainland Ecuador. Assistance and farewell at the airport.

Please note:

Itineraries are subject to change.

YOUR SHIP: GRAND OCEAN SPRAY

YOUR SHIP:	**Grand Ocean Spray**
VESSEL TYPE:	**Catamaran**
LENGTH:	
PASSENGER CAPACITY:	**16**
BUILT/REFURBISHED:	

Grand Ocean Spray is an ultimate-generation luxury catamaran designed to deliver a meaningful, immersive Galapagos experience. Built around a philosophy of Luxury with Purpose, the vessel combines elevated comfort with responsible design, featuring solar panels for clean energy, sustainable construction, and Carbon Neutral certification. With just 16 guests accommodated across eight spacious balcony suites and one single cabin, Grand Ocean Spray offers an exclusive, intimate atmosphere supported by 12 crew members, top naturalist guides, and a near one-to-one crew-to-guest ratio. Onboard spaces are refined and thoughtfully designed, including a panoramic spa, premium hospitality areas, and epicurean cuisine that enhances every journey. Panoramic ocean-view doors, private balconies, and carefully curated public areas create a strong connection to the surrounding landscapes, while premium service ensures a seamless experience throughout the voyage. Scheduled for its maiden voyage on October 3rd, 2026, Grand Ocean Spray represents a new standard in sustainable luxury cruising in the Galapagos.
