

## FOUR ARCTIC ISLANDS: SPITSBERGEN, JAN MAYEN, GREENLAND AND ICELAND

Perfect for first-time visitors to the Arctic, this voyage highlights four spectacular destinations near the top of the world and provides an unforgettable taste of the region, featuring giant icebergs, towering mountains, granite cliffs, iconic wildlife, traditional Inuit culture and more. Your adventure begins in the remote Norwegian island of Spitsbergen, renowned for its stunning scenery and abundant, varied wildlife such as polar bears and walrus. From there, sail south to the mysterious, volcanic Jan Mayen, a nature reserve so remote that few have ever been fortunate enough to explore this Arctic treasure. The next stop is Greenland's beguiling east coast, where you will cruise deep into Scoresbysund to marvel at the overwhelming beauty of the world's largest fjord system, gaze in awe at unimaginably vast icebergs, and admire the diversity of the flora and fauna that have fascinated explorers and visitors for centuries—and seize the opportunity to explore the remains of ancient Thule settlements. Your epic adventure culminates with a journey under the midnight sun to Reykjavik, where you can soak up Icelandic culture in a city that never sleeps.

### ITINERARY

#### Day 1 Arrive in Helsinki, Finland

Your Arctic adventure begins in Helsinki, renowned for its extraordinary architecture and intriguing mix of eastern and western influences. If you arrive early, explore the many museums, galleries and restaurants, relax at a Finnish sauna or wander the vibrant Design District before retiring at your

included hotel.

#### Day 2 Fly to Longyearbyen, Svalbard & Embark

This morning, the group will transfer to the airport and board our private charter flight to Longyearbyen, Spitsbergen's largest settlement, as part of the transfer package. As you embark this afternoon, you'll hope to enjoy great views of the mountainous landscape that serves as a backdrop for this seaside town.

#### Days 3 to 6 Exploring Spitsbergen

Exploring Spitsbergen, the largest island in the Norwegian Svalbard archipelago, rewards you with austere beauty and opportunities to spot its abundant wildlife. Here, you'll visit spectacular glacier fronts and tundra in full bloom, with walrus, polar bears and Svalbard reindeer amongst your possible wildlife sightings. Birders will be thrilled to see Arctic terns, skuas, Brünnich's guillemots, black-legged kittiwakes and ivory gulls. If conditions permit, you could sail within 10 degrees of the North Pole!

#### Days 7 and 8 Cruising

While sailing south through the historic Greenland Sea toward Jan Mayen, your Expedition Team will keep you informed with presentations about the history and politics of the Arctic, its fascinating wildlife, geology, ecology and climate, and the incredible sights you will soon explore. On deck, you'll learn to identify seabirds "on the wing." The team will also keep a lookout for the whales that frequent the waters here.

#### Days 9 and 10 Exploring Jan Mayen

North of the Arctic Circle, about 280 miles (450 km) east of Greenland and 340 miles (550 km) north of Iceland, the mysterious Jan Mayen rises from the depths of the North

Atlantic. Often shrouded in thick fog, the small mountainous island was declared a nature reserve in 2010 and is rarely visited, save for the 18 rotating personnel of the Norwegian military and Norwegian Meteorological Institute, who are the only inhabitants. Landing here will be dictated by the weather and sea. If conditions allow, as we approach, keep watch on deck as the spoon-shaped island's highest summit emerges. At 7,470 feet (2,277 meters) high, the breathtaking Beerenberg volcano features a symmetrical cone shape and impressive glaciers that spill into the sea. If we're fortunate, we may get a close-up view of the volcano and the stratified cliffs of the spectacular north coast as we Zodiac cruise along the coast of the island, searching for wildlife. Designated an Important Bird Area by BirdLife International for the large numbers of breeding seabirds, Jan Mayen supports colonies of northern fulmars, little auks, glaucous gulls, kittiwakes, and black and Brünnich's guillemots (thick-billed murre).

#### Days 11 to 15 Exploring Scoresby Sund, Greenland

Your tour of Scoresby Sund—the largest, deepest and, some say, most beautiful multi-armed fjord system in the world—will offer plenty of opportunities to explore ashore or by Zodiac cruise. At one moment you'll be stepping back in time, exploring the remains of ancient Thule settlements with views of icebergs and towering mountains rising straight out of the sea, and the next you'll be immersed in contemporary culture, meeting the locals and gaining an appreciation for their way of life in Ittoqqortoormiit, East Greenland's northernmost community. At the mouth of the sound, this remote settlement boasts a blend of traditional and modern lifestyles and is geographically closer to Iceland than it is to its nearest Greenlandic neighbors to the southwest. Here, you'll have the chance to support local Inuit

artisans by purchasing unique handicrafts. In terms of wildlife, grazing muskoxen are a possible sight, as 40 percent of the world's muskoxen population lives in this region. Polar bear sightings are also a remote possibility, as are encounters with more elusive Arctic wildlife, such as the Arctic hare. Seabirds to watch out for nesting atop the steep cliffs of the sound include little auks, fulmars and guillemots.

#### Days 16 and 17 Cruising

As we sail south, the Denmark Strait is your pathway toward Iceland. Take in a presentation, share your photos, sip an icy cocktail in the bar or watch a film— there are many things to do during your time at sea. Your Expedition Team will also be on hand to answer any questions and point out wildlife.

#### Day 18 Depart Reykjavik, Iceland

You'll disembark in Reykjavik, Iceland's capital, at the end of your journey. If you have booked post-expedition accommodation, we provide a transfer to a central downtown location.

#### Please Note:

Embracing the unexpected is part of the legacy—and excitement—of expedition travel. When traveling in extremely remote regions, your expedition staff must allow the sea, the ice and the weather to guide route and itinerary details. This itinerary is a tentative outline of what you'll experience on this voyage; please be aware that no specific itinerary can be guaranteed.

## YOUR SHIP: OCEAN ADVENTURER

**YOUR SHIP:** Ocean Adventurer

**VESSEL TYPE:**

**LENGTH:**

**PASSENGER CAPACITY:**

**BUILT/REFURBISHED:**

The 118-passenger Ocean Adventurer, (formerly the Sea Adventurer) is among the very few vessels in the world specifically constructed for expedition voyages to the remote polar regions. Her ice-strengthened hull permits her to glide easily and safely through ice-strewn waters that are not accessible to conventional cruise vessels. She has advanced communications and navigation equipment, and newly installed, state-of-the-art Sperry Gyrofin stabilizers. In 1998 the Adventurer had a \$13 million conversion done in Scandinavia. She is a handsome expedition vessel, done in the style of great ocean liners when ships were ships. With lots of varnished wood, brass, and wooden decks, the ship has all new outside cabins, with lower beds and private facilities. There is a Main Lounge, bar, Clipper Club, library/card room, gymnasium and gift shop. A multi-national staff serves American and Continental cuisine. The ship has a fleet of 10 Zodiacs and a special loading platform. An ice class rating of A-1 allows the Clipper Adventurer to go to places larger cruise ships can only dream of, and she does it in comfort and style unsurpassed by other vessels her size. Cabins: All cabins have a window with outside view. Each has private facilities. Cabins and amenities 61 outside cabins

with exterior views and private facilities. Decks 4 and 5 have exterior access, with outside seating. Window-lined dining room on Deck 4 with unreserved seating. Lounge/Presentation Room. 2 bars. Library. Gift shop. 4 hour beverage station. Ship-to-shore satellite communications with email, and wireless, Internet access. Clinic with licensed doctor. Exercise room. Deck Plan for some trips may vary, please ask

for details.
