view of the falls that very few experience! Take a refreshing swim and a walk on the squeaky white sands of Silica Beach. Day 3 Sale river

This morning is devoted to exploring the Sale river. Join naturalists and adventurers alike as we 'ride the tide' on a classic river expedition! For those who can't wait one minute longer, the mouth of the Sale offers the first opportunity to 'land a barra'! or, take off on a heli-fishing adventure perhaps to where the salt meets the fresh! Enjoy lunch as we weigh anchor and cruise to another Kimberley icon – Montgomery reef! Montgomery is a unique eco-system that must be seen to be believed – and see it you will – as 140 square miles of coral reef rises out of the ocean right before your very eyes! Water cascades from the reef as the tide falls exposing a privileged glimpse of another world! Turtles, dugong, crocodiles and every imaginable sea creature abound and the helicopter puts all in perspective!

Day 4 Prince Regent River

The scenery will astound and there are some not-to-be-missed fishing spots as the TRUE NORTH graces the majestic Prince Regent River. This morning's target species include delectable mangrove jack and fingermark bream. At King Cascade we will manoeuvre the TRUE NORTH right under the falls. Then it's time for more 'adventure in the tender' – a chance to stretch the laces on your hiking boots and an opportunity to swim in yet another picture perfect billabong, or perhaps you'd like to venture further upriver to visit the spectacular 'Amphitheatre' waterfall. The helicopter will be popular again when the first

group of intrepid explorers returns from Jurassic Park!

And, the Hunter has it all – fishing, mud-crabbing, bird-watching and simply exploring "where few have been before!" Join one of our adventure boats for a closer look, it's only a short hike enjoy a challenging hike to Jackson Falls and, there's even more splendour from the helicopter!
