TAHITI TO FIJI: REEFS, LAGOONS & VOLCANIC ISLES

The archipelagos of the South Pacific have defined our notion of “island paradise” since Robert Louis Stevenson told his tales and Paul Gauguin captured Polynesia in paint. As we sail from Tahiti’s lush volcanic crags to the sparkling white shores of Fiji, discover a fascinating geology and a stunning wealth of bird species and marine life. Dive or snorkel among underwater canyons and tunnels formed from lava. Meet island communities. And explore the far-flung reef systems of the extraordinary archipelagos of the South Pacific.

ITINERARY

DAY 1: Papeete/Embark

Arrive in Papeete and join us for a tour before embarking National Geographic Orion in the late afternoon. (L,D)

DAY 2-4: Taha'a / Ra'iatea / At Sea

Spend the day acclimating to island time at beautiful Taha'a. Surrounded by a sparkling turquoise lagoon, make use of our private motu choose to snorkel, swim, kayak or just enjoy your surroundings from the white sandy beach. One of the most important cultural sites in the Polynesian world, Marae Taputapuatea was a center for Polynesian seafarers and the location from which they set out for Rapa Nui (Easter Island), Hawaii, and New Zealand. Spend the morning exploring this site on Ra'iatea, then refresh yourself with a swim in the island's lagoon. Spend time on deck during a day at sea, mesmerized by deep, seablue water while scanning the horizon for marine mammals and seabirds. (B,L,D Daily)

DAY 5-7: Aitutaki, Cook Islands / At Sea

Known for its turquoise central lagoon, Aitutaki has been described as the perfect South Pacific island. Board Zodiacs to

enter the lagoon via the pass on the western side of this “almost atoll.” Once ashore, you’ll step over sacred welcome stones to be greeted with a traditional Polynesian welcome. Explore the lagoon, walk palm-fringed beaches and finish with a swim in the warm, clear lagoon. Or, meet the friendly residents and experience traditional Polynesian food, culture and hospitality on a visit to an interior village. Then enjoy life aboard National Geographic Orion as we spend two days sailing west toward Samoa. (B,L,D Daily)

DAY 8-9: Samoa

With its spectacular beaches and dense green foliage, hidden waterfalls and lava-sculpted landscapes, Samoa captures the essence of the South Pacific. During our time on these islands, hike through rain forests vibrant with flowers and birds, take a dip in a swimming hole, go snorkeling or diving, and soak up the languid rhythms of island life that drew Robert Louis Stevenson to these shores. (B,L,D Daily)

DAY 10-11: Wallis and Futuna

Another of France's South Pacific territories, the tiny island nation of Wallis and Futuna lies between Samoa and Fiji. In Wallis, we are greeted with local dancing and singing. Visit the beautiful crater lake Lalolalo and a cathedral built of blue volcanic stone, chiseled by hand. In Futuna, stop at a historic "cannibal oven" and learn of the history of these fascinating people, before a warrior dance performance in front of the Cathedral of Poi. (B,L,D Daily)

DAY 12-14: Exploring Fiji

Enter the island nation of Fiji with a stop at Taveuni, Fiji's third largest island, known as “The Garden Island” for its rich vegetation—which includes several species found nowhere else

in the world. Experience warm Fijian welcomes at the village of Waitabu, and snorkel in one of the Pacific's most successful community marine parks. Explore the waterfalls of nearby Bouma National Heritage Park, and dive nearby reefs. Witness a dramatic firewalking ceremony, at Beqa Island. (B,L,D Daily)

DAY 15: Lautoka / Disembark / Home

Disembark in Lautoka this morning. Take a tour of western Viti Levu Island then transfer to the international airport at Nadi for flights home or choose to extend your stay and check in to our hotel. (B,L)

YOUR SHIP: NATIONAL GEOGRAPHIC ORION

YOUR SHIP:	National Geographic Orion
VESSEL TYPE:	Luxury Expedition
LENGTH:	103 metres
PASSENGER CAPACITY:	102 (in 53 cabins)
BUILT/REFURBISHED:	2003 / Refurbished 2014

Engineered for maximum comfort and safety, *Orion* is equipped with the latest technology including large retractable stabilizers, sonar, radar, and an ice-strengthened hull. A shallow draft plus bow and stern thrusters provide the convenience of being able to maneuver close to shore. 14 Zodiacs ensure quick disembarkation and offer the ideal transport for up-close exploration. *National Geographic Orion* meets strict specifications for environmental protection and the on board waste management systems meet the stringent Antarctic operational standards enabling us to travel to the most pristine environments. A host of advanced design features and technology ensures sustainable marine environmental practices. *National Geographic Orion* accommodates 102 guests in 53 cabins, including several with balconies. She is spacious and modern, with a variety of public rooms that offer panoramic views of the passing landscape. Friendly and informal, *Orion* fosters a welcoming atmosphere where like-minded guests share in exceptional experiences and enrichment. Her public rooms include a dramatic window-lined main lounge, as well as an observation lounge and library perched at the very top of the ship, with plentiful observation decks. The spacious lounge is

the heart of our expedition community, and is suited for spirited cocktail hours, informative presentations and our nightly tradition of Recap. In addition, a dedicated theater provides a unique setting for specialist presentations or films and slideshows. Both the main dining room and outside buffet easily accommodate all guests at once for open seating dining. On selected nights, weather permitting, our dining room menu is also available on the outside deck. While *Orion* interiors are elegant, life aboard is always casual, with no need for formal clothing. And you'll find shipboard services like laundry, in-room cabled internet, and public-area wifi make packing and traveling more

convenient.
