TREASURES OF THE ADRIATIC - 9 DAYS BETWEEN DUBROVNIK AND VENICE

From its top to bottom, the stunning Adriatic Coast offers some of the finest coastal scenery in the world and its collection of beautiful bays, hidden inlets and a myriad of islands both large and small make it one of the most appealing areas for small ship cruising. If you are to do justice to this enchanting corner of Europe, we believe that exploring by small ship is a must and with the 50-passenger MS Monet we are able to offer a wonderfully interesting itinerary as her size enables us to call into some less developed places and once moored, going ashore is quick and easy. Our voyage from Dubrovnik to Venice is a heady mix of islands and ports representing a fascinating itinerary combining as it does some 'must see' sites together with little known and rarely visited places that are perfectly suited for our vessel. Following our overnight mooring and time spent discovering Dubrovnik, our calls along the Adriatic coast will include the delightful islands of Korcula and Brac, the World Heritage Site of Split with the ancient laneways of Diocletian's Palace, the dramatic waterfalls of Krka and charming Mali Losinj in the northern Kvarner Gulf. From Koper in Slovenia we will visit the picturesque Medieval town of Piran before arriving in Venice. In addition to some daytime cruising which allows us to enjoy the magnificent views, our central moorings afford the opportunity to take a stroll after dinner in some marvellous places that are particularly atmospheric in the evening. Whether it be the scenic waterways and indentations or the wealth of historic buildings, this unique area has so much to offer the genuine traveller and our itinerary will be appreciated by those who enjoy an eclectic mix of places and an informal style of cruising.

Dubrovnik is a breathtaking sight and its many historic and cultural treasures have earned it the designation as a UNESCO World Heritage Site. Founded by the Romans in the 7th century, it eventually came under the influence of the Byzantine Empire, then Venice, Hungary and finally Turkey. This morning our local guides will lead us through the bustling old town taking in the beautiful civic buildings, the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza Palace. This afternoon is free to relax on board or to explore independently. Maybe take a walk on the city walls or ride the cable car up Mount Srd for the wonderful views over the city.

Day 3 Korcula.

Spend the day on the island of Korcula, the reputed birthplace of the explorer Marco Polo. A morning guided tour will include a walk along Korcula's crooked Medieval streets revealing elegant squares flanked with palaces of the old nobility. After lunch on board we drive to the interior of the island, past olive groves and vineyards offering views down to the coast below. On our visit to a winery, we will learn more about the mainly white wines, which have been cultivated on the island for centuries, before enjoying a tasting.

Day 4 Brac & Split.

Awake on the island of Brac and the attractive port of Pucisca located at the end of a long bay. Brac is world renowned for the quality of its stone which was used for the Diocletian's Palace in Split as well as the White House in Washington and other parliament buildings in Europe. Spend the morning in the charming small town, voted one of the prettiest in Europe, where the buildings' white roofs create an ambient atmosphere. Over lunch we sail the short distance to Split where a guided walk includes the Diocletian's Palace, built by the emperor in 295-305 AD as his retirement villa. Much of this large building is well preserved and the palace contains Split's old town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. It is a wonderful spot to wander the maze of streets. We sail late tonight for anyone wishing to take an after dinner stroll.

Day 5 Sibenik & Krka National Park.

From our berth in Sibenik we visit the majestic waterfalls of Krka. Take a morning guided walk on wooden walkways and across bridges through this unique fjord-like landscape with its multiple waterfalls and interesting flora and fauna. This afternoon we will have some free time to explore the historic town including the Cathedral of St James, the old city walls and the theatre before we sail this evening.

Day 6 Mali Losinj.

We will spend the morning at sea arriving in the early afternoon at Mali Losinj which sits at the foot of a protected harbour on the southeast coast of Losinj Island. It is the island's mild climate and rich flora that give Mali Losinj its reputation as one of the most fragrant islands in Croatia; its air is scented with lavender, sage and rosemary. The seafront of the old town is lined with a string of imposing 19th century houses and villas and is a pleasant place to wander. Sail late tonight.

Day 7 Rovinj & Pula.

Our last day in Croatia will be based at the atmospheric town of Rovinj where the houses inside the old town are small and lean into each other creating a unique atmosphere. We leave the town this morning and drive to the tip of the Istrian Peninsula and the former Roman settlement of Polensium, now known as Pula. Here we will discover one of the best preserved Roman amphitheatres left in the world. The Arena, built in the 1st century AD was designed to host gladiatorial contests with seating for up to 20,000 spectators. After lunch either relax on board or explore Rovinj. Our guided walking tour will include the Franciscan Monastery, City Palace and the 17th century clock tower before we visit the town's main landmark, St Euphemia Church, which is built on the top of a small hill. This Baroque building built in Venetian style was dedicated to the saint and

martyr whose sarcophagus, according to a legend, was miraculously washed ashore somewhere around 800 AD.

Day 8 Koper, Slovenia.

From our berth in Koper we drive to Piran, one of the most photogenic cities in the Mediterranean. Influenced by the Venetian Republic, which left its mark on most Istrian towns, Piran has maintained the clustered Medieval structure of narrow winding streets, houses huddled close together and numerous squares and churches. Tartini Square is the gem found in the very centre of the city and is named after the violinist and composer Giuseppe Tartini. After lunch on board, enjoy some time at leisure in Koper. Maybe visit Tito Square, the impressive Praetorian Palace or the 11th century cathedral.

Day 9 Venice, Italy to London.

Disembark after breakfast and transfer to the airport for our return scheduled flight to London.
