

12 DAYS LUXURY GREECE & TÜRKIYE CRUISE - ATHENS TO ATHENS

Uncover the roots of ancient civilisations and bask in the beauty of Greece's idyllic islands. This journey promises culture, curiosity, and history spread across the sparkling Aegean Sea. Wander through narrow streets in whitewashed towns, explore classical ruins and palaces, and trace the footsteps of Jason and the Argonauts in famous mythological locales. An overnight stay in Istanbul, the glorious city of towering minarets, adds to this journey of discovery.

ITINERARY

Day 1 - Athens (Piraeus)

A city of legend, civilisation and enduring culture, Athens is a majestic and magical urban sprawl. Extraordinary elegance and grace combine with grit and graft in Greece's capital, where highways encase ruins from antiquity, and gleaming museums and galleries stand beside concrete sprayed with edgy street art. These contrasts enhance and elevate the wonders of this 2,500-year-old city, however, which can count notable contributions to philosophy, drama and democracy, among its global legacy. Piraeus' giant port and naval base welcome you to the edge of the Athens' urban area. From there it's a simple jaunt to the centre. The majestic ancient citadel of the Acropolis dominates an elevated platform and is a constant presence as you explore the city. The wonderful remains of the columned temple of the Parthenon - which date back to the 5th century BC - stand here, representing the pinnacle of classical architecture. The nearby Acropolis Museum adds context to your visit and frames the broad views from its giant glass windows. Or rise up

Mount Lycabettus, to be rewarded with perhaps Athens' best panorama of the Acropolis sitting high over the city on its grand stage. See the marble horseshoe of the Old Olympic Stadium, where the first modern Olympics were held in 1896, for more of the city's enduring legacy. Elsewhere, golden beaches and temples stretch out along the coastline, should you wish to explore a little further afield. Coffee is an art form to the Greeks, and it's an unwritten rule that coffee time must never be rushed. So prepare to settle down for a couple of hours and lose yourself in a good chat. Feeling hungry - try traditional souvlaki made with sauces handed from generation to generation.

Day 2 - Kusadasi

Explore the towering columns, and storied remains of Ephesus - one of the most spectacular cities left by the Ancient Greeks. Kusadasi welcomes you to the Turkish coastline and is your base for exploring these majestic remains, which sit just 10 miles inland from the port. The Ephesus UNESCO World Heritage Site is a true archaeological gold mine, and an amazingly well-preserved site - once home to 150,000 people. The grand Temple of Artemis rose up majestically here and was recognised as one of the Seven Wonders of the Ancient World before its untimely destruction. The grand city was a fitting location for such a wonder, and with a mere 20% estimated to have been uncovered, the scale and majesty of Ephesus is hard to fully comprehend, as you walk its ancient streets. Visit the precious Library of Celsus - a gorgeous, double-layered façade of columns and artistry - and enjoy the city's gently illuminated, atmospheric venues - which still host stirring evening concerts. Ephesus's museum adds context to the 25,000 treasures that are exhibited within. After a long hot day exploring, recharge with a perfectly-charred and seasoned kebab or vegetable and rice stuffed grape leaves like dolma. In Kusadasi itself, you can discover a lively seaside city with a buzzing Aegean beach scene, and a glut of restaurants and cafes to kick back in.

Day 3 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Days 4 - 5 - Istanbul

A chaotic, colossal collision of east and west - start your day in Europe and end it in Asia, all without breaking a sweat. Sprawling across two continents, the city has been toed, froed and yanked between countless civilisations over its history, leaving a multi-layered, majestic tapestry of culture to untangle. An army of narrow minarets puncture the skyline, while the soaring towers of palaces and labyrinths of bazaars - where bargains are the reward for brave hagglers - fill up this dynamic city of 15 million people. With a rich portfolio of Byzantine and Ottoman architecture, Istanbul enjoys one of the world's most dynamic skylines and has an intense, infectious energy. The vast Aya Sofya is the starting point for exploring this huge city's deep wealth of cultural treasures. Built in the 6th century as a Greek Orthodox church, it was later transformed into an Ottoman imperial mosque - and latterly a museum. Cast your eyes up to take in the full scale of the colossal dome, one of the world's largest, which floats on a magnificent bed of light. See the Blue Mosque, with its glorious blue znik tiles, or head to the Galata Tower which was once the tallest structure in Istanbul, and is ideal for a panoramic view of the city. Grab handfuls of dates

and spices, shop for jewellery and patterned fabrics as you're swallowed whole by the Grand Bazaar - one of the world's biggest and busiest covered indoor markets. To understand Istanbul is to visit its kahvehans. Few rituals are taken as seriously as Turkish coffee - prepared to be incredibly strong. Sweeten the aftertaste with Turkish delight, or baklava - try the smooth pistachio version called kuru baklava.

Day 6 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 7 - Thessaloniki

At the crossroads of East and West, where North blends into South, Thessaloniki (accent on the "ni") has seen the rise and fall of many civilizations: Macedonian, Hellenic, Roman, Byzantine, Ottoman, and that of the Jews and the modern Greeks. Each of its successive conquerors has plundered, razed, and buried much of what went before. In 1917 a great fire destroyed much of what was left, but the colorful past can still be seen and sensed. The vibrant city with close to 1.5 million inhabitants today--also known as Thessalonike, Saloniki, Salonika, or Salonica--has a spacious, orderly layout that is partly a result of French architect Ernest Hebrard, who rebuilt the city after the fire. Though Thessaloniki has suburbanized in the last two decades, sprawling to the east and west, the old part of the city is fairly centralized and easy to get used to. Whether you're in Ano Polis (Upper City) or along the bay, short walks here are well rewarded; you may come across parks, squares, old neighborhoods with narrow alleyways and gardens, courtyards draped with laundry, neoclassic mansions, and some of the more than 50 churches and 40 monasteries. Thessaloniki's early Christian and Byzantine monuments, with their distinctive architecture and magnificent mosaics, are UNESCO World Heritage Sites. The ever-changing nature of the city continues and neighborhoods like Ladadika, a former warehouse district (which got its name from the olives and olive oil or ladi stored here), have been recycled into pedestrian zones of restaurants and clubs. The neighborhood is filled with young and old, strolling by fountains, snapping fingers to the music in the air, and savoring mezedes (appetizers) and microbrewery beers at tables spilling onto the stone squares. The appeal of Thessaloniki lies in part in its warmth, accessibility, and languid pace. The afternoon mesimeri, or siesta, is still sacrosanct (don't call people between 3 and 5 pm). Take your time exploring in-town archaeological sites and Byzantine treasures, making sure to stop for cafe-style people-watching. The two walks suggest routes for exploring highlights. It's best, however, to simply to wander through the streets responding to whatever you encounter. It is hard to get lost, since the entire city slopes downhill to the bay, where you can always align yourself with the White Tower and the city skyline.

Day 8 - Volos

Nestled ideally between the gentle lapping waves of the Pagasetic Gulf and Mount Pelion, Volos is a Greek seaside town worth visiting. The town enjoys a near mythic status as being home of Jason and his Argonauts, and that, along with its reputation for being 'Land of the Centaurs' should go some way to illustrating the degree of ancient history to be found in Volos.

The city was severely damaged in an earthquake in 1955 which regrettably means that much of the 19th-century architecture has been lost or damaged. A few traces do remain however, fine examples of neo-classical architecture that are hidden away around the town. If you want your history a little older than that, the superb archaeology museum will both surprise and delight you. Not only will you find objects from the Ancient Greek era but recent excavations have unearthed artefacts from the first Neolithic settlements of Dimini and Sesklo. The city itself is flat and easy to negotiate on foot. Or better still, make like the locals and hire a bike to cycle the city. For those feeling a little more adventurous, the 8-mile cycle up Mont Pelion rewards the sporty cycler with traditional stone tavernas and breathtaking views of the region. If relaxing closer to home is more your glass of ouzo, make for Palia, the old part of Volos, famous for having some of the finest cuisine on the mainland. Head into the narrow alleys, order a tsipouradika (a combination of traditional spirit served with local mezze) and enjoy.

Day 9 - Mykonos

Indulge in idyllic island life, as you take your fill of superb foods and wines, and soak in endless views of sweeping turquoise seascapes and pretty whitewash buildings. Known for its lively nightlife and rejuvenating, care-free outlook, Mykonos is a dazzlingly beautiful island escape. The secret is well and truly out, but nonetheless, Mykonos has managed to retain the enduring, exclusive allure that first drew celebrities like Brigitte Bardot to its star-studded shores. True to its roots, Mykonos is a rich land of culture, tradition and swirling legend, and the island is said to be built on the frozen bodies of giants slain by Hercules and to have been the legendary battleground between Zeus and the Titans. Head out onto the crystalline waters to seek out serene islands, hit perfect beaches, or venture into the labyrinth of Mykonos Town. White facades, red roofs and cobalt blue shutters add to this lively town's appeal. Explore narrow streets housing studios - where artisans piece together mosaics - and plenty of restaurants and bars offer sanctuary. Head to Little Venice for a waterfront view of one of the island's famed sunsets, and to enjoy an aperitif of the favourite aniseed liqueur, ouzo. Boasting numerous attractive sandy coves, a wealth of top-notch restaurants, and rich cultural appeal, it's little wonder that Mykonos is one of the most popular Greek Islands. Discover this jaw-droppingly scenic island paradise, watched over by its iconic huddles of picturesque windmills.

Day 10 - Rhodes

With an endless sun-soaked season, earthy history and vibrant culture, the island of Rhodes has it all. At the crossroads between continents, and sandwiched between Crete and Turkey's coastline, Rhodes has swayed between many mighty civilisations throughout its tumultuous history. Part of the Dodecanese Islands, which are sprinkled across the blissfully blue Aegean Sea, dive into this island of dazzling beaches, historic medieval towns, and whitewash villages. Crusted with turrets and walls, alluding to its strategic significance over the years. Incredible history has been left behind, and the cobbled streets of the UNESCO World Heritage site listed Old Town are some of Europe's best. Wander back through time, with occasional minarets from Ottoman-era mosques rising from the tangle of Medieval history, and the smells of cinnamon, cumin and pepper lingering above stone-paved streets. Discover inviting outdoor restaurants, which spill across flower-filled courtyards, and enjoy fresh Greek cuisine with an eastern influence. The preserved columns of Lindos's spectacular

Ancient Greek Acropolis watch out over electric blue water, while the Gothic Medieval stronghold of the 14th-century Palace of the Grand Masters of the Knights of Rhodes, adds more fascinating history to explore. Fragrant, pine tree coated hills, and gorgeous beaches of eye-watering blue water, offer your choice of unbridled relaxation or thrilling action, and you can raise the pulse with water sports, or shelter in coves with shocks of turquoise water and monolithic rock formations.

Day 11 - Santorini

Breathlessly romantic, and incredibly scenic, the azure domes and whitewash buildings that cascade down Santorini's slopes are prime honeymoon material - and relentlessly romantic. A true gem of the Cycladic island group, Santorini is startlingly pretty, and its white windmills and dazzling villages are incredibly easy on the eye. Envy-inducing and evocatively beautiful, Santorini's sunsets are legendary, and the island is a highlight of any voyage to the Greek islands. Look out over the endless expanse of blue waves, filling the massive volcanic caldera of Santorini - and absorb one of the most spectacular views in the world. The sheer rock shoulders of the caldera create an immense, natural amphitheatre - so enjoy the show, as you sip a local, volcanic-mineral enhanced white wine, and fall in love all over again. Any meal is well rounded off with the famous wine, Vinsanto. The east side of the island may lack the incredible panoramas, but it's ideal if all you want to do is recline on volcanic-sand beaches - which range in hues from charcoal-black to flame-red. This beautiful island was forged by powerful volcanic activity, and you can learn more about the huge eruption of 1,600 BCE - which wiped out the Minoan city at Akrotiri. The eruption sank the centre of the island, forming the moon-shaped topography we see now. Visit the archaeological site that has revealed and preserved the village, which was lost to time below the pumice and ash. Some whisper that this destroyed town may even be the fabled Atlantis.

Day 12 - Athens (Piraeus)

A city of legend, civilisation and enduring culture, Athens is a majestic and magical urban sprawl. Extraordinary elegance and grace combine with grit and graft in Greece's capital, where highways encase ruins from antiquity, and gleaming museums and galleries stand beside concrete sprayed with edgy street art.
