ITINERARY

Day 1 - Miami, FL

Life is that little bit more beautiful in Miami. Sparkling speed boats zip along cresting blue waves, sculpted sun-worshipers whizz by on pink roller skates, and mojito glasses clink all along the fabulous, palm-lined Miami Beach. The world's most popular cruise port tops the list for good reason. Florida's unabashed vacation capital is the place to kick back, be unashamedly yourself, and soak up the sun while you strut.

Miami boasts no fewer than 35 miles of white sand to spread out along and enjoy and offers an endless litany of leisure activities - whether you want to dance the salsa or club golf balls along immaculate fairways. A flavorful amalgamation of cultures, the city proudly flaunts its colorful and creative diversity - sample the sizzle of Cuban flavors, admire the audacity of daring artworks, and discover diverse neighborhood microcosms, like the legendary Little Havana. The city's crackling creativity is on full display in world-class art galleries such as the Institute of Contemporary Art, while curves, colors, and optimistic flair light up the geometric shapes and pastel hues of the Art Deco District - the world's largest collection of this architectural style. Shopping is a serious art here too - luxury malls are stacked high with glitzy stores. A perfect base for exploring the wetlands of the Everglades - where semi-submerged gators lurk - and a gateway to the turquoise treasures of the Caribbean, magnetic Miami exudes intoxicating extroverted appeal.

Days 2 - 3 - Day at sea

Days at sea are the perfect opportunity to relax, unwind, and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale-watching, catching up on your reading, or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shoreside.

Day 4 - Sopers Hole

Day at sea

Day 5 - St. Kitts (Basseterre)

St. Kitts's verdant volcanic slopes rise from crystal clear Caribbean waters, promising a land of escape, relaxation, and rejuvenation. A place for 'limin' \- the local word for kicking back, Caribbean style, you'll be welcomed to an island paradise blessed with swarming reefs, hidden white-sand beaches, and irresistible shallow seas. Bigger sibling to nearby Nevis, St. Kitts is a place of unrestrained natural beauty. Soak up the dreamy Caribbean bliss, or explore sprawling island rainforests, teeming with hummingbirds and the distant sounds of waterfalls, as you walk the island's vine-tangled paths. A ride on Basseterre's scenic sugar train is a rumbling, immersive journey through the heart of this Caribbean island of culture and vivid unspoiled scenery. Carriages that once transported crops of sugar cane to the city sweep around long curving bends, revealing a spectacular introduction to St. Kitts. The landscapes here are beautiful, and things are no less spectacular offshore, where glorious crystalline waters invite you to dive with turtles and explore doomed wrecks like the River Taw ship - which has now exploded with marine life. In Basseterre itself, stop off to see the pea-green Berkeley Memorial clock, which stands in the Circus, surrounded by busy St. Kitts life. Independence Square is also waiting among the city's charming Georgian buildings. Renamed from Pall Mall on the 19th of September 1983 - to celebrate the island's independence - the pretty square gravitates around a colorful burbling fountain, and has a dark history, as a former slave market. Wary canons watch out over the waves far below at Brimstone Hill Fortress, a site of significant history, which dates back to 1690. Known as the "Gibraltar of the West Indies" due to its importance at the heart of the British empire, St. Kitts was one of the first islands in the West Indies to be colonized. Nowadays, its World Heritage Site fortress offers panoramic views along the coastline it was built to defend.

Day 6 - Deshaies

Deshaies's natural, sheltered harbor, the deepest of the Caribbean, has always attracted seafarers. Long ago it was a haven for buccaneers, and it's said there's still hidden treasure on the island. Postcard pretty, with painted wooden creole homes, gathered around a little church, it won't take you long to discover Deshaies's - a hidden gem.

Whilst rightly associating Guadeloupe with transparent seas, lapping pristine beaches of colored sands, the island of Basse-Terre boasts so much more.

Benefitting from farsighted, ecological measures, both land and sea have been protected, resulting in a rich biodiversity waiting to be discovered. Whatever your energy levels, from the very active, to those who simply want to recharge their batteries, there's a landscape just for you.

Trek through tropical forests, passing hot springs, and spectacular waterfalls to reach the smoldering crater of a volcano, bringing out the adventurer in you.

Stroll around the manicured botanical gardens amongst jeweled colored, exotic birds.

Cool off whilst exploring from a huge choice of unspoiled beaches, including the famous expansive Grande Anse, with its red sands and palm trees. Dive deep in the water, and swim with turtles. Revel in the panoramic beauty over a drink at sunset, accompanied by delicious, traditional Antilles cuisine.

If any of this piece of paradise looks familiar, it could be because since 2011, it's been the setting of the much-enjoyed BBC television series Death in Paradise.

Day 7 - Fort-de-France

The largest of the Windward Islands, Martinique is 4,261 miles from Paris, but its spirit and language are decidedly French, with more than a soupçon of West Indian spice. Tangible, edible evidence of this fact is the island's cuisine, a superb blend of French and Creole. Martinique is lushly landscaped with tropical flowers. Trees bend under the weight of fruits such as mangoes, papayas, lemons, limes, and bright-red West Indian cherries. Acres of banana plantations, pineapple fields, and waving sugarcane stretch to the horizon. The towering mountains and verdant rainforest in the north lure hikers, while underwater sights and sunken treasures attract snorkelers and scuba divers. Martinique is also wonderful if your idea of exercise is turning over every 10 minutes to get an even tan and your taste in adventure runs to duty-free shopping. A popular cruise-ship excursion goes to St-Pierre, which was buried by ash when Mont Pelee erupted in 1902.

Day 8 - Day at sea

Days at sea are the perfect opportunity to relax, unwind, and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale-watching, catching up on your reading, or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shoreside.

Day 9 - St John

Painted with a palette of turquoise seas, pearly white sands, and emerald rainforests, St John is the Caribbean at its most unspoiled. The smallest and wildest of the three main U.S. Virgin Islands, powder-soft beaches fringe the island's shores. Crystal

clear waters gently lap ashore, and invite you to swim or enjoy world-class snorkeling in reefs full of darting tropical fish, and sea grasses animated by graceful sea turtles. Few beaches in the world rival Trunk Bay, a crisp crescent of gleaming sand, flanked by lush vegetation and shallow azure seas. St John rises to the heights of Bordeaux Mountain at its center, where trails lead to spectacular panoramic views across the Virgin Islands. From there, rainforest-cloaked slopes roll down to beaches and tucked away coves. You can tackle tight, twisting roads by jeep, or follow trails through the jungle to reach hidden pockets of velvety sand, shaded by swaying coconut palms. Laurence Rockefeller was so taken with St John that he gifted nearly two-thirds of the island to create Virgin Islands National Park and protect it forever. Sugar mill ruins hint at the island's 18th-century plantation past, while archaeological sites reveal Taino history. Beach bars welcome soft tradewinds, while serving up Painkillers, the island's signature blend of dark rum, pineapple, and spice. With preserved history and protected landscapes, St John is an irresistible Caribbean experience.

Days 10 - 11 - Day at sea

Days at sea are the perfect opportunity to relax, unwind, and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale-watching, catching up on your reading, or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shoreside.
