

14 DAY ULTIMATE KIMBERLEY CRUISE

Our most immersive Kimberley cruise, with breathtaking waterfalls, ancient landscapes, and every iconic destination in unrivaled luxury Embark on the 14-Day Ultimate Kimberley Cruise, an immersive journey showcasing the best of the Kimberley Coast's natural wonders. Aboard our luxury vessels, accommodating up to 12 guests, you'll explore breathtaking landscapes, including the majestic King George River, the awe-inspiring Horizontal Falls, and the unique Montgomery Reef. This extended itinerary allows for in-depth exploration, ensuring a comprehensive and unforgettable Kimberley experience.

ITINERARY

Day 1: Depart Broome

Guests are collected at approximately 4.30pm from their accommodation venue. Once on board, you will have the opportunity to meet the other guests and crew, be shown your accommodation and taken through our safety procedures. Whilst the skipper steams out of Broome, relax with a drink and nibbles overlooking a view of the famous cable beach, the gateway to the Kimberley.

*Please note the itinerary show is the Broome to Wyndham/Kununurra direction. For guests departing Wyndham/Kununurra cruising to Broome the itinerary is reversed. On Day one, guests are collected at Kununurra and travel to Wyndham to join our vessel.

Day 2: Horizontal Falls

Wake up to the delights of Yampi Sound. Start your day with breakfast, then depending on tide, board one of our custom built tenders to collect black lip oysters, or fish the headlands or creeks. Lunch will be served while the MV Diversity II moves through the Koolan channel. We will continue via Dugong Bay into Talbot Bay where you can experience the thrill of the amazing Horizontal Falls. After enjoying a sumptuous evening meal enjoy a restful night under the Kimberley night sky.

Day 3: Doubtful Bay

Awaken to the aroma of fresh coffee and breakfast being prepared. Once you are energized, sit back and enjoy the beautiful steam through Raft point into Doubtful bay. Doubtful bay is the gateway to many waterways each with their own unique landscape and swimming holes. Spend the day pursuing your choice of activities fishing, mud crabbing or exploring the many fresh water swimming holes the Kimberley keeps secret.

Day 4: Montgomery Reef

Depart Red Cone Creek early in the day and enjoy a short steam to nearby Montgomery Reef. Once anchored, guests will enjoy a scenic tour as the reef rises out of the ocean and water cascades into the channel. Guests will then have the choice to fish the run-offs or just take the opportunity to photograph a special part of the Kimberley.

Day 5: Deception Bay

Wake up to Deception bay on the low tide where guests will have the opportunity to fish and gather some Black Tip Kimberley Oysters. Once the tide has risen, the crew will escort guests for a refreshing swim at one of the many fresh water swimming holes. MV Diversity then departs Deception bay steaming north to the mighty Prince Regent River.

Day 6: Cascade Waterfalls

Wake up in the St George Basin and take the tenders up Spit Fire Creek for the opportunity to catch the prized Barramundi. Once the tide has risen we steam up to Kings Cascade where the skipper manoeuvres the boat under the powerful Kings Cascade waterfall. Guests will have the opportunity to swim and hike the surrounding areas. MV Diversity steams back to Camp Creek for the night.

Day 7: Camp Creek

Once guests have enjoyed breakfast, they will have the opportunity to fish the river for Fingermark Broome and Mangrove Jack. Guests can leisurely explore the Aboriginal Art work of the area. On the high tide the crew takes the tenders up to Camp Creek to enjoy a freshwater swim and the waterfall. MV Diversity will catch the outgoing tide and anchor at Careening Bay

Day 8: Mermaid Tree

Guests will go to shore to view the Mermaid Tree and learn about the rich history of the area. MV Diversity will then steam to the Hunter River to Perosis Creek, for the option to fish or explore the surrounding areas. Guests celebrate their final night with a beach bonfire on Naturalists Island before enjoying dinner back on board

Day 9: Biggie Island

Explore the art on Biggie Island and enjoy a salt water swim, with the option to pick some oysters and do some blue water fishing, before steaming down into the mighty Mitchell river for dinner.

Day 10: Mitchell River

Wake up in another magic location, the Mitchell River; one of the best spots to find that elusive Barramundi. After the morning fish, enjoy the cooling waters at Surveyor's Pool. Mud crabs are on the menu for lunch as we steam out into Vansittart Bay for the night

Day 11: Vansittart Bay

Revel in the history of the Bradshaw art that covers Vansittart bay. With an abundance of Bluewater fishing options, here is one of the best spots to get some fresh sashimi for our chef to prepare. After lunch, we will explore a plane wreck of the DC-3 from WW II. Back on-board Diversity II we travel around the cape to the jaw dropping King George river.

Day 12: King George River

Wake up and enjoy breakfast as we travel up the King George river. Truly the diamond in the crown of the Kimberley. Feel the true power of the falls As we place the bow of diversity under the 84m high water falls. Enjoy a walk up to the top of the falls followed by a light dip. After lunch have a swim in the beautiful King George Crack, and head out the front for some awesome Bluewater fishing.

Day 13: Berkeley River

Enjoy breakfast on the way up the Berkeley River as the landscape changes before you. Grab your rod and steam to the head of the river where the fresh water pours over the rock bars, a prime spot for Barramundi. Back to Diversity for lunch before we move the boat further down the river. The afternoon will be lazy, enjoying a glass of bubbles in a fresh water swimming hole, before returning to the boat for dinner. Final dinner on the anchor before Diversity heads to Wyndham.

Day 14: Arrive Wyndham/Kununurra

Change of scenery as we wake up in Wyndham. Breakfast on board and final good byes as your bus greets you at the jetty for a 9 am departure to Kununurra.
