With its glorious harbour, lavish golden beaches and iconic landmarks, Sydney is Australia's showpiece city. Creative and curious, discover the world-class cuisine, indigenous culture, and irresistible beach life that make Sydney one of the world's most dynamic, exciting destinations. Sydney's sparkling harbour is the heart of a richly cultural city. Overlooked by the metallic curves of the masterpiece of an Opera House, and that grand arched harbour bridge. Take it all in from the water, and admire the iconic landmarks, which are set before the city's gleaming skyline backdrop. If you're feeling adventurous, take the legendary climb up the smooth curve of the bridge - nicknamed the Coathanger - to soak in the shining city's spread from a unique perspective. Spread out to tan on one of the world's most famous stretches of sand - Bondi Beach. Restaurants and bars burble away in the background, while the sun beams down, and surfers curl and leap over pure rollers. Swim in spectacular salty ocean pools, or wander the beautiful Bondi to Coogee coastal walk for more of this sun-gorged stretch of prime coastline. Leaving the thrills of Australia's largest city behind is surprisingly simple - take to the skies to be flown above skyscrapers and rippling ribbons of waves, out to majestic peaks, sheer cliffs and iconic rock formations - like the Three Sisters of the Blue Mountains. Or, drop in on wildlife sanctuaries caring for the country's animals - from hopping kangaroos to adorably cute, cuddly koalas.

Day 2 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue

sea days are the perfect balance to busy days spent exploring shore side.

Day 3 - Mooloolaba

Once a humble fishing village, tourism has boomed in recent years and transformed Mooloolaba into one of the most coveted of Queensland's popular holiday resorts. Located 97 km from Brisbane and set right in the heart of the Sunshine Coast, Mooloolaba is much more than an oceanfront playground. Certainly, surfers will find their nirvana here, with ideal spots for both the initiated and the beginner dotted along the coast, along with the famous surfing festival in March. But it's not all about waxing your board and point breaks - Mooloolaba Beach has featured as one of the world's top ten beaches for two years running and it looks set to stay that way. An early morning stroll will see you mingling with the locals, and with no beach goers around, be sure to take your cameras for some of the most instagrammable views you're ever likely to see. Step away from the beach and guests will find some good shopping with everything from antiques and jewellery to beach towels and sarongs for sale. Local artists set up stalls on the pretty esplanade so art lovers will be sure to take home a souvenir that is really special. Epicureans meanwhile will already no doubt looking forward to tasting some of the famous Mooloolaba prawns, caught straight off a trawler. How's that for freshness! Try the delicious local speciality either in one of the buzzing restaurants in town or straight from the Seafood Precinct and grab a spot in the shade for a picnic! If fun in the sun isn't your cup of tea, then the Mooloolaba coastline is certainly worth seeing. Hire a motorboat, or relax on a mini-cruise and enjoy the opportunity of searching, and perhaps swimming, with whales, dolphins and turtles. Seaplanes offer another interesting way of

seeing the coast with the more adventurous opting for the "doors off" experience.

Day 4 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 5 - Airlie Beach

With the finest powder sand, knots of deep green rainforest and ankle-deep shelves of turquoise sea water - Airlie Beach is your gateway to some of the world's most spectacular beaches. This lively town welcomes wide-eyed young adventurers and the yachting crowd alike to the Whitsunday Islands' serenity, and the hiss of espresso machines, and excited chatter of adventure, spills out from its many cafes and bars. Relax at Airlie Beach Lagoon - the social hub of this town - where sun-heated saltwater invites you to wade, before flaming fresh coral trout over a barbecue as the sun sets. Or, take a seat at one of the glorious restaurants offering uninterrupted views out over the waters of Pioneer Bay, towards the 74 islands that make up the Whitsundays. These heavenly waters don't just attract humans. Humpback and pilot whales also migrate here to indulge in the warm waters and sheltered location. Spot the majestic creatures breaching and gulping in huge gasps of oxygen as you explore. Feeling adventurous? Rainforest walks to secluded pebble beaches await at Conway National Park, where difficulty-graded walking trails are available. Dive among swirls of jewel-coloured marine life, or experience the thrill of skimming into the sky on a seaplane. Take off to admire the scattered island paradises

below from a stunning new aerial perspective, before landing and enjoying a picnic amid Whitehaven Beach's bliss.

Days 6 - 7 - Cairns

Warmly welcoming you to the natural wonders of the Great Barrier Reef, Cairns is a treasure trove of rich tropical beauty and incredible sea life. Swathes of rainforest spread out to the north, where you can soar over the canopy in a cable car, before looking down over narrow channels of water plummeting down gorges and crocodile-filled waterways. The diverse lands of the Atherton Tableland lie to the west, but it's the crystal-clear waters - and life-filled reefs - of Cairns' remarkable underwater world that draws universal adulation. Priding itself as the Gateway to the Great Barrier Reef, explore Cairns' constellation of colour, as you dive into the world's largest and most spectacular underwater universe. Cairns is huddled in amongst abundant swathes of rainforests, which give way to glorious crescents of golden beach. Kuranda - with its scenic railway and heritage market stalls - waits to be discovered, cloaked within the depths of the rainforest. Learn of the indigenous people of North Queensland during cultural performances, and hear the throaty reverberations of didgeridoos, as you hear eternal stories handed down through time, from generation to generation. Back in Cairns, there's always time for a coffee or a beer, or a feast on fresh oysters with glasses of Cairns' white wines - boldly flavoured with mango and banana notes.

Days 8 - 10 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. shore side.

Day 11 - Darwin

"Australia's capital of the north is a uniquely tropical city, and a historically isolated outpost of this vast, diverse country. Reaching up towards the equator, a full 2,000 miles from Sydney and Melbourne, the city was named in honour of Charles Darwin by the British settlers who established a frontier outpost here. With a unique history, beautiful islands nearby, and a palette of sizzling Pacific flavours, colourful Darwin is an enchanting and exotic Australian destination. Crocodiles patrol the jungled waterways and tropical rainforests around Australia's gateway to the Top End. Explore via airboat to look down on the veiny waterways of the mist-laced Kakadu National Park. The sounds of chattering birdlife and the gentle splash of fountains and waterfalls will fill your ears in George Brown Darwin Botanic Gardens. Soak it all in, before kicking back and relaxing with a picnic and a crackling barbecue. The sunshine and famous tropical pink sunsets mean many visitors naturally gravitate to the city's soft sands to relax at spots like pretty Mindil Beach, as evening approaches. The adjoining market is filled with souvenirs and crafts stands and is the perfect great place to enjoy some fiery Asian flavours. Stroll the stalls, grab some food, and crack open an ice-frosted beer as the sunset show begins. It may be remote, but Darwin found itself on the front line during the Pacific War, as the Japanese air force unloaded their bombs onto the city in 1942. This relaxed unassuming city has a deeply resilient backbone, however, and you can explore the museums to learn more of the war's impact on Darwin, as well as the devastating effects of one of Australia's worst natural disasters, Cyclone Tracy in 1973."

Days 12 - 13 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 14 - Komodo Island

Komodo, the volcanic island of giant lizards, lies 320 miles (515 kilometres) east of Bali. Komodo is 25 miles (40 kilometres) long and 12 miles (19 kilometres) wide; its parched hills ascend to a height of 2,410 feet (734 metres). Komodo is home to a community of some 2000 people who make their living primarily from fishing. The island is the centrepiece of the Komodo National Park, where you will find the most tangible legacy left behind from the Jurassic Era. Komodo Island was little-known and the Komodo dragons were only a myth until the giant lizards were scientifically described in 1912 . Extinct almost everywhere else, the island attracts thousands of visitors from all over the world who come to see the Komodo dragons in their natural habitat. Komodo National Park has been declared a UNESCO World Heritage Site and Biosphere Reserve. The Komodo dragon's great bulk and weight are its most unique characteristics; even hatchlings average 20 inches (51 centimetres) in length. The adult male can reach 10 feet (3 metres) and weigh up to 330 pounds (150 kilos). Females attain only two-thirds of this size, and lay up to 30 eggs at a time. With their saw-like teeth, these fierce creatures are able to rip apart a deer, goat or wild pig. The animals have an uncanny sense of smell, and are considered among the world's most intelligent reptiles. They are quite agile over short distances, and can move swiftly to capture their prey. Days 15 - 16 - Benoa, Bali

Bali. A.k.a. Island of the Gods, Land of a thousand temples or the World's last paradise. As superlative as these monikers may sound, they do not do justice to the actual reality of the island. Bali is as good as everyone says - verdant mountains with terraced rice fields in one direction, black sand beaches in another and captivating people that will leave even the most seasoned traveller humbled. If you're looking for a Garden of Eden that really does have it everything, Bali ticks all the boxes. The rich and diverse culture of the island is what sets Bali apart from Indonesia's (many) other tropical paradises. The country's estimated 10,000 Buddhist-Hindu temples, with their daily offerings of lotus flowers and fruit are testament to the gentleness of the islander's belief. Then there is the vibrant arts and crafts scene, notably in Ubud in the centre of the island, but prolific everywhere. Ideal souvenirs to bring back range from gorgeous silver jewellery to intricate wood carvings. Additionally, do try to see a traditional dance if possible, particularly if accompanied to local gamelan music. No one could mention Bali without mentioning the food. Dishes range from elaborate meals to street food bites, but all are without exception ambrosia. Do not miss out on tasting a succulent chicken satay, betutu (apparently the King's favourite meal) and sambal matah. But whatever you decide to discover, you can be assured of a taste sensation that will remain with you long after you have returned home.

Days 17 - 18 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 19 - Singapore

Advanced, airy and elevated, Singapore is a spectacular, futuristic vision of utopian city life. A healthy population of almost six million call it home, but this is a city designed with space to breathe, and gorgeous outdoor parks, massive indoor greenhouses and beautiful recreational spaces spread between the City of Gardens' skyscrapers and soaring structures. Once a quiet fishing village, now a glistening island city-state and an international beacon of science, education and technology. Singapore is almost intimidatingly clean - and the hyper-efficient public transport system whips residents and visitors across the city's neighbourhoods in a heartbeat. Glorious fountains and audacious skyscrapers loom up - nodding to traditional feng shui beliefs - and putting on dazzling illuminated displays after dark. The lush green botanical gardens are a spectacular UNESCO World Heritage Site, covering 52 hectares and decorated with impressive colourful orchids. Or breathe in more of the freshest air by heading up to wander the canopy strung bridges of MacRitchie Reservoir Park. Head for the iconic Marina Bay - a landmark of the city crowned by three interconnected towers, which watch out over island sprinkled waters. Jaunt between Little India and the atmospheric Chinatown in minutes, where beautiful temples - like the Chinese Thian Hock Keng Temple and Hindu Sri Mariamman Temple add rich cultural intrigue. Singapore's cuisine is a

mouthwatering fusion of its Indian, Chinese, Indonesian, and Malay influences, taking and enhancing the best of each. Enjoy dishes in towering restaurants, or toast the glowing skyline with the city's eponymous gin-soaked cocktail - a Singapore Sling.
