Bridgetown, the captivating capital of Barbados, combines faded colonial history, captivating tradition, and vivid white beaches plucked directly from your richest imagination of Caribbean perfection. Recently listed as a UNESCO World Heritage site, thanks to its beautifully preserved colonial architecture, Bridgetown's mask of modernity covers a core of complex history and fascinating culture. Sherbet coloured buildings line up to overlook the waterfront of the Constitution River at the 'The Careenage' \- where gleaming ships bob on the blue water, and peaceful strolls along a wooden boardwalk await. Stop for a sobering moment at the commemorative plaque honouring the people traded at this spot, when Bridgetown was the British Empire's most important harbour, and first stop on the Transatlantic Slave Trade crossing. Just five minutes' stroll from here is Carlisle Bay - a postcard-perfect place where you'll find crystal-clear, turquoise seawater glowing in the Caribbean sun, and a mile of soft white powder sand. A treasure trove for divers, the shipwrecks scattered below the shallow water's waves are now inhabited by turtles and swirling, rainbow-coloured tropical fish. Head to the backstreets, where street food vendors serve up spicy chicken soup, barbecued pigtails and thirst-quenching coconut water. There are bargains aplenty to be had on Broad Street, where duty-free malls and souvenir stalls cram together, vying for your attention. Roebuck Street is the spot where one of the Caribbean's favourite drinks, rum, was discovered - having been created here from the by-products of the island's booming sugarcane trade. Nowadays, it's lined with bars splashing every variety of the deliciously spicy dark libation imaginable into glasses. For a touch more culture, visit one of the oldest synagogues in The Americas - Nidhe Israel Synagogue, which was built in 1654.

The adjoining museum tells the story of Barbados' Jewish immigrants, who were instrumental in the island's development.

Days 2 - 4 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 5 - Macapa

Please note the call to Macapa is for clearance by Brazilian authorities only. Guests will not be able to debark the ship during this time. Clearance will include a safety inspection, health inspection and immigration formalities. Depending on the complexity of the ship this can take several hours.

Day 5 - Cruise Amazon River

The mighty Amazon River over 6,400kms long, meanders through some of the most extreme natural environments and biologically diverse regions of our planet.

Sailing down the wide waters passing the dense greenery of rainforests, there's never a shortage of magical moments but often the greatest thrill is catching sight of an exotic creature. Look out for pink river dolphins playfully breaking through the water by the side of the boat, colourful parrots as they flash through the trees and sloths going slowly about their day. Cameras at the ready to film mischievous monkeys leaping through the rain forest canopy. Even when you can't see the wildlife you can hear it. The echoing cries of birds, insects and animals ring through the air.

The Amazon is home to a diverse population of indigenous communities, some of whom are happy to share their culture with visitors, opening up their river side villages.

Witness the Meetings of the Waters, one of South America's most captivating natural phenomena. The dark waters of the Rio Negro meet the sandy coloured Rio Solimoes to form the Amazon River but refuse to mix. The colossal two rivers flow side by side for 6km until they eventually accept to mix.

The world's longest river, nurturing the largest rainforest on earth, is home to more than a third of all known species, yet is still one of the least explored regions on earth. No matter how impressive the statistics are, they can never do justice to the Amazon, you need to see it for yourself.

Day 6 - Parintins

The small village of Parintins lies on Tupinambarana Island, which is part of a large river archipelago in the mid-Amazon, 250 miles east of Manaus. In existence for two centuries, Parintins is rich in Indian culture that is represented in the celebrated annual Boi-Bumba festival. It is a ritual of magic, mystery, passion and faith that has been held here for over 80 years, inspired by local legends. A stadium, the Bumbodromo, was built in 1988 to accommodate the over 40,000 spectators that come and take part in this festival each year. The Boi-Bumba is listed on the official Calendar of Events to be one of the highlights in Amazonas State. As a special treat, Silversea has arranged an exclusive performance, enacting the show for you with all the exuberance and vibrancy normally displayed in the real Parintins festival.

Days 7 - 9 - Manaus

Lying in the heart of the Amazon, hundreds of miles upriver from the Atlantic, Manaus is a busy port city surrounded by the richest rainforest habitat on Earth. Placed strategically at the confluence of two rivers, the town was founded as a fortress by the Portuguese Navy, but quickly became a trade hub for the surrounding area. By the late 19th Century, Manaus was the centre of Brazil's booming rubber industry, and grew rapidly into one of the largest cities in Brazil. During this period, many of Manaus' grandest buildings were constructed by the city's 'Rubber Barons', including the Public Market, and the Amazon Theatre, a vast decadent opera house. Today, Manaus is a cultural melting pot, with a diverse population. A complex system of free trade rules has turned Manaus into one of the wealthiest cities in Brazil, with heavy industry developing alongside traditional livelihoods such as river fishing, and gathering the bounty of fruit, nuts and medicinal plants which the rainforest bestows. However, it is the surroundings which give Manaus its unique character. The famous Meeting of Waters, where tannin-rich water from the Rio Negro combines with milky water from the Rio Solimoes to form the Amazon, can be seen just outside town, and the jungle beckons visitors to explore and discover. Excluding Manaus, the state of Amazonas is extremely sparsely populated, and in the largest rainforest on Earth, it is easy to forget the hustle and bustle of the city and simply enjoy the wonders of nature.

Day 10 - Boca Da Valeria

Located between Santarem and Manaus, Boca de Valeria is the entrance to the Valeria Channel (boca meaning mouth). The channel leads to Lake Valeria, which marks the border between the States of Amazonas and Para. While the ship is at anchor, a colourful picture unfolds as canoes with the local population

come out to meet the ship, providing additional excitement to your Amazon experience. There are no facilities to operate any organised excursions. If conditions permit, the ship's tenders may take you to one of the typical Caboclo (river dwellers) villages to get a glimpse of the natives' traditional lifestyle. See monkeys and snakes and also look at a selection of local handicrafts. Recommended dress is lightweight cotton. Sun protection and insect repellent also are essential.

Days 12 - 14 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 15 - Recife

Named after the coral reefs that take the sting out of the waves rolling ashore, Recife is a gleaming city where some of Brazil's best beach life plays out. A mesh of old waterways, three rivers and a lacy canal network add to the relaxed atmosphere and give the city its nickname as the Venice of Brazil. Sprawling out in the northeast of Brazil, Recife is the Pernambuco region's capital and boasts a glorious coastal location. With a pulsating Carnaval to rival Rio de Janeiro's, and a charming colonial core,

this city is a tropical stop of relaxation, which boasts plenty of old-time splendour and irrepressible energy. A busy, sprawling city, the golden Boa Viagem beach is the city's outlet, where workers unload from glittering towers to the sandy embrace of its exhibitionist seafront. Lined by hotels, bars and restaurants, it's one of Brazil's longest and best urban beaches, and the city's spot to see and be seen. The warm waters may tempt you to swim, but beware, as sharks do linger here. Three rivers run through the city, interlinked by canals and spanned by 49 bridges. Take a catamaran ride along them, to sail in the shadows of opulent colonial-era buildings. This is a city of coconut flesh flavours - whether you're refreshing with a sweet coconut juice while tanning on the beach, or eating a noodle sauce of coconut and shrimp flavours. Olinda, just to the north, is a UNESCO World Heritage Site, and it sparkles with a collection of colonial architecture and beautiful baroque churches.

Day 16 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Day 17 - Salvador de Bahia

A multicultured, multifaceted place, discover brilliant beach life, airy colonial plazas and infectious samba rhythms as you explore this Brazilian melting pot. Sat on a scenic peninsula, idyllic beaches coat the city on three sides, and a historic fort sits just offshore, watching the waters menacingly. One of the world's biggest carnivals is thrown towards the end of February,

but don't worry if you miss it - there's always an excuse to celebrate something in Salvador de Bahia. The old town - with its lemon and duck egg blue colours - rises above the city, peppered with gold-leaf flourishes and carved historical churches. Pelourinho street is one of the town's most dazzling - a picturesque gathering of bright hues and uneven cobbled streets. Bahia's capital and largest city was Brazil's first capital, built on the backs of slaves imported from Africa. Since then the cultures have fused to create a vibrant Afro-Brazilian cocktail. Moqueca is the local flavour here, a slow-cooked stew of coconut milk, seafood and bell peppers, it's a creamy and delicious indulgence with a chilli kick. Enjoy a spot of relaxation on the city's beaches - and see a relatively rare phenomenon in Brazil - sunset dipping over the sea's waves, on the sands of the westerly facing Porto da Barra. Or, escape the crowds and recline below swaying coconut palms on the golden sands of beaches reaching up to the north, which are some of Brazil's most picturesque and secluded.

Days 18 - 19 - Day at sea

Days at sea are the perfect opportunity to relax, unwind and catch up with what you've been meaning to do. So whether that is going to the gym, visiting the spa, whale watching, catching up on your reading or simply topping up your tan, these blue sea days are the perfect balance to busy days spent exploring shore side.

Days 20 - 21 - Rio de Janeiro

Lie back on the golden sands to soak up the extraordinary setting - or watch on as muscled cariocas - locals - perform effortless athletic feats, during casual volleyball matches. A trip up to Rio de Janeiro's iconic art-deco statue of Christ the Redeemer is, of course, a must do - offering an extraordinary

view of the city rolling out before your eyes. You'll also want to take a cable car to swing by the top of Sugarloaf Mountain, which juts sharply into the sky from nowhere. Brazil's second largest city moves to an infectious samba beat, and the famous thumping Carnival floods colour and floats down its streets each year. Of course, Rio is also a city of sharp cultural contrasts - offering fun in the sun for some, while life goes on very much as it always has for others. Take a guided tour, led by a resident, to see the conditions inside these complex tapestries of colour and chaos first-hand. Tijuca National Park, offers easy-to-access tranquillity, immersing you in dense forestry and whopping birdsong. Later, watch the fiery shades of sunset spread across the sky in the city's oh so famous evening light show. With so much to offer, you'll quickly learn how Rio earned its other name 'Cidade Maravilhosa' - The Marvellous City.
