ITINERARY

Day 1 Individual travel arrangements to cruise departure point Travemunde/Germany, departure 18.00 hrs

Travemunde has a fascinating history as a traditional seaport. Today, it attracts visitors with its charming Baltic Sea flair. It's an ideal starting point for boat trips, walks along the beach and discovering nearby Lubeck. Travemunde is located about 70 km (43 mi.) from Hamburg and 280 km (174 mi.) from Berlin.

Day 2 Copenhagen/Denmark, 08.00 – 24.00 hrs

With its mix of world-famous landmarks and modern charm, Copenhagen appeals to every visitor. The Little Mermaid at

Langelinie is the city's most famous attraction. The colourful waterfront at Nyhavn with its lively cafes is a great place to while away some time, while Amalienborg Palace and the Tivoli amusement park will take you on a journey through the past and present of the Danish capital. In its majestic setting amidst well-kept rose gardens, Rosenborg Castle is home to the Danish Crown Jewels. As well as its historic sites, Copenhagen is a paradise for design fans: the cubist Royal Library and the Royal Opera House are outstanding examples of modern Scandinavian architecture.

Day 3 Aarhus/Denmark, 12.00 – 24.00 hrs

Aarhus, one of northern Europe's oldest cities, combines the best of the past and the present. It offers a fascinating mix of historical and modern influences. The old town, Den Gamle By, brings the flair of centuries past back to life with its lovingly restored buildings: The city was founded by the Vikings around AD 770 and has been inhabited ever since. In the harbour, the modern Dokk1 library is a symbol of innovation and cultural change - a popular meeting place for locals and visitors alike.

Day 4 Daytime passage through the Kiel Canal/Germany

The Kiel Canal is like a ribbon cutting through the landscapes of Schleswig-Holstein and linking the North Sea to the Baltic Sea between Brunsbuttel and Kiel. At just under 100 km (62 mi.) long, the canal is the busiest man-made waterway in the world and cuts up to 900 km (560 mi.) off shipping routes around Denmark. Opened in 1895 and originally known as the Kaiser Wilhelm Canal, the canal makes its way past little villages, idyllic meadows and extensive pasture land. The two locks are masterpieces of engineering and have also been in operation since 1895, protecting the canal from changing water levels caused by the tides or by the winds off the North Sea and Baltic Sea.

Day 5 Hamburg/Germany, arrival 07.00 hrs Individual travel arrangements from cruise arrival point

Hamburg, the "pearl of the north", has a lively atmosphere and rich history. From the vibrant harbour with its majestic ships to the historic red-brick warehouse district, the city features a highly distinctive flair. The Alster, surrounded by green banks, invites you to take relaxing boat trips. The historic old town, with its charming lanes and imposing town hall, exudes a sense of tradition. Culturally, Hamburg offers a variety of museums, theatres and concert halls that inspire visitors with art and music in abundance. The famous Reeperbahn in the St. Pauli district attracts visitors with its diverse nightlife. Hamburg is a city that manages to combine tradition and modernity in a fascinating way.
