ADRIATIC ARCHIPELAGOS AND GREEK GODDESSES

Greek temples, rugged coastal mountain ranges, and rustic, tile-roofed villages dotting the eastern Adriatic shoreline define this exceptional 9-day cruise with an overnight port stay in Kotor, Montenegro. Toast the benefits of Croatian microclimates during a wine tasting near rocky vineyards outside Zadar. Sail, swim and snorkel at a pristine archipelago near Hvar, or rise early to pick fresh, organic vegetables for your family-style Croatian breakfast in the village of Hora, near there. Master Montenegro cuisine under the guidance of a decorated restaurant chef in Kotor. Admire the royal ambiance of Achillion, the Greek mansion of a former Austrian empress on Corfu. And enjoy Greek music performances and take your mark on the hallowed grounds of Olympia, the birthplace of Greek and global athletic competitions.

ITINERARY

Day 1 - Venice

No other sea approach in the Adriatic raises goose bumps like Venice, a small ship exclusive where the entire city and its lagoon are a UNESCO World Heritage Site. On your luxurious home-away-from home, you arrive already equipped with a sense of what it's like to live in the city that's neither land nor water. Add your own sigh to the Bridge of Sighs, sip a spritz al bitter as you plot your agenda, and let the water taxis do your navigating unless you don't mind getting lost. Not such a bad prospect, with serendipitous discoveries around every corner.

Day 2 - Zadar

Something here will capture your heart. A Roman amphitheater, 9th century churches, and museums packed with Byzantine-era artworks crowd the peninsula that tidily contains the Old Town. It's a tempting way to spend the day for sure. While away the day listening to Zadar's giant Sea Organ, a haunting musical improv performed by the surging Adriatic or share a bench with a sun-drunk cat as you bite into a truffle.

Day 3 - Hvar

Celebrities from Prince Harry to Beyonce have made Hvar their go-to place. Follow the city walls to sweeping views from the fortress on the hill. Head to the town square for a look at the Venetian Cathedral or find the large bay of Stari Grad on an optional tour to this famous UNESCO site.

Day 4 - Kotor

This is one of Montenegro's most beautiful bays, and the approach offers one breathtaking fjord-like view after another. Just when you've reached your fill of blues and greens, the bright red rooftops of the medieval Old Town come into view. The entire area has been proclaimed a UNESCO World Heritage Site. The charming streets of Old Town remain car free, filled with 12th century Baroque palaces and Romanesque churches. For a fresh perspective, climb to the fortress on the hill for a breathtaking vista.

Day 5 and 6 - Dubrovnik

While larger ships must pass by, we anchor right beyond the famous walled city so you can admire its beauty with every glance. Tender ashore and step right into Old Town, a UNESCO site where no cars are allowed, just eons of history. Capture the exhilarating views on your camera -- and in your memory. End your day at the Buza Cafe (if you can find it) watching bold divers leap off the cliffs into the crystalline sea.

Day 7 - Corfu

One of the most beautiful and popular islands, located on the Ionian Sea, Corfu has wonderful beaches and small villages throughout the island. Take in the Venetian influence at the two fortresses located in Old Town, a UNESCO World Heritage Site.

Day 9 - Katakolon

Charming and scenic Katakolon is the gateway to Olympia, the original home of the Olympic Games and a UNESCO World Heritage Site. You can visit this memorable site only 30 minutes away and see the fertile Peloponnese valleys along the way, full of strawberries, tomatoes, corn and olive trees.

Day 10 - Athens

With 3,000 years of history, you can't turn around in Athens without encountering the past. The Acropolis, a UNESCO site, the Plaka, and the Acropolis Museum are must-sees. But leave

time if you can to climb Pnyx Hill for photos of the Parthenon at sunset, to buy your own set of Greek komboloi (worry beads), and to explore the metro stations that serve as mini-museums for the relics that are constantly being unearthed.
