ALONG THE DALMATIAN COAST - 8 DAY CROATIA CRUISE

Come with us to sample the delights of Croatia aboard the 36-passenger Queen Eleganza which we have chartered for these seven night cruises exploring the attractive coastline between Split and Dubrovnik. Having operated in the region for many years this itinerary has been designed to explore the breathtaking natural beauty, intriguing history and stunning architecture of the spectacular coast and islands and we will visit some marvellous places which do not cater for the big ships. As we journey through the intense blue sea of the Adriatic the many highlights will include the historic cities of Split and Dubrovnik, with their history dating back through the Middle Ages to the Roman Era, and the delightful islands of Trogir, Hvar and Korcula where we will spend time walking through the beautiful old towns exploring the historic wonders. We will also visit areas of great natural beauty including Mljet where we will tour the National Park including its beautiful lakes. Each night we will remain moored in the picturesque harbours affording the opportunity to dine ashore on some evenings to enjoy the floodlit splendour and lively café society which is so atmospheric. Whether it be the towering cliffs and rich vegetation, scenic waterways and indentations or the wealth of historic buildings, this unique area has so much to offer and our itinerary will be appreciated by those who enjoy an eclectic mix of places, the company of a small group of like-minded travellers and an informal style of cruising.

ITINERARY

Day 1 London to Split, Croatia.

Fly by scheduled flight. On arrival transfer to the Queen Eleganza. Enjoy our welcome dinner on board this evening as we moor overnight. (D)

Day 2 Split & Trogir.

Take a morning guided walk through Split which includes the Palace of Diocletian which was built by the emperor in 295-305 AD as his retirement villa. Much of this large building is well preserved and the palace contains Split's Old Town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. Enjoy some free

time to wander the maze of streets at your own pace before sailing in the afternoon to Trogir. Set within Medieval walls on a tiny island, linked by bridges to both the mainland and to the far larger Ciovo Island, we will enjoy a walking tour of this delightful port. The old town has retained many intact and beautiful buildings from its age of glory between the 13th and 15th centuries. In 1997 its profuse collection of Romanesque and Renaissance buildings earned it World Heritage status. Moor overnight and have the opportunity to dine ashore this evening. (B, L)

Day 3 Trogir & Brac.

Enjoy the morning at leisure in Trogir before we sail over to the attractive port of Pucisca located on the island of Brac, at the end of a long bay. Brac is world renowned for the quality of its stone which was used for the Diocletian's Palace in Split as well as the White House in Washington and other parliament buildings in Europe. Spend a few hours in the charming small town, voted one of the prettiest in Europe, where the building's white roofs create an ambient atmosphere. Return to the ship and enjoy dinner on board. We will moor overnight allowing time for an after dinner stroll. (B, L, D)

Day 4 Hvar.

Sail after breakfast to Stari Grad where, upon arrival after lunch, we take a short coach ride across the island to the attractive Old Town of Hvar for a guided walk. We will begin in the main square which is the largest piazza in Dalmatia and see the cathedral, the Franciscan Monastery, and the Benedictine Nunnery where we hear about the aloe lace still produced today by the nuns. Return to the ship and enjoy dinner on board. (B, L, D)

Day 5 Korcula.

After a morning at sea we arrive at Korcula where we drive to the interior of the island, past olive groves and vineyards offering views down to the coast below. On our visit to a winery we will learn more about the mainly white wines which have been cultivated on the island for centuries before enjoying a tasting. After our visit we return to Korcula, the reputed birthplace of the explorer Marco Polo, and on a walking tour enjoy some time strolling along the crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. We will be moored overnight in Korcula and you will be able to dine ashore in the Old Town this evening. (B, L)

Day 6 Korcula & Mljet.

Enjoy a morning at leisure to explore Korcula independently. We sail during lunch to the island of Mljet which is one of the few Dalmatian islands that was never ruled by Venice, and this is apparent in the architecture and the absence of any sizeable historic town. What it lacks in great architecture it more than makes up for in natural beauty and there will be a tour to the National Park including its beautiful lakes. Moor overnight in Pomena where you can dine in one of the harbour-side restaurants. (B, L)

Day 7 Dubrovnik.

Spend the morning sailing to Dubrovnik, the "Pearl of the Adriatic". After lunch we make a short drive to Pile Gate and begin our guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries, and the Sponza Palace. Return to the vessel for our farewell dinner. (B, L, D)
