Washington terroir and style. Back on board, cruise upriver through the spectacular Columbia River Gorge. At 80 miles long and up to 4,000 feet deep, this river canyon cuts the only sea level route through the Cascade Mountains.

### Day 3: Walla Walla, Washington

Named one of the top ten wine regions in the world, this world-class wine country was shaped by its distinctive micro-climates, rich volcanic soil, and abundant river irrigation. Today you'll swirl a glass and meet the owners at award-winning Bergevin Lane. And while the passion may be in the bottle, you can enjoy original artwork and a smooth pour at Dunham Cellars. Make your way to Foundry Art Gallery and tasting room for a wine and lunch soiree. Reboard the S.S. Legacy and join your Heritage Guides as we sail into the Snake River Canyon.

### Day 4: Palouse Falls State Park

According to the Palouse tribal legend, four giant brothers pursued a mythic creature called "Big Beaver." Fighting gallantly, each time Big Beaver was speared, the canyon walls were gouged until he tore out a huge canyon, the river tumbled over a cliff, and the falls were born. Arriving at the falls, by way of bus along the Palouse River, notice the jagged canyon walls and the deep marks of Big Beaver's claws. This afternoon relax like royalty; there'll be an onboard tasting and presentation by your wine host.

### Day 5: Richland / Washington Wine Country

Bound by the river, learn about the natural, scientific, and cultural history of Eastern Washington from a special guest speaker at the Hanford Interpretive Center. Then it's off to enjoy the pride of the Red Mountain appellation with a tour, tasting, and lunch at the exquisite Terra Blanca Estate Winery and

Vineyard. Explore another of the AVAs (American Viticultural Areas) distinctive wineries for a tour and tasting before stepping back on board and sailing downriver.

### Day 6: The Dalles, Oregon

Wine and art have long been a fated blend, and that's precisely what's in store today. Sitting atop a bluff overlooking the Columbia River Gorge, you'll tour the Maryhill Museum's castle-like chateau with an eclectic collection of European paintings, Rodin sculptures, Native artifacts, and the Queen of Romania's personal effects. Along the museum's adjacent slopes, taste award-winning varietals at Maryhill Winery and discover this scenic winery. In The Dalles, the Sunshine Mill Winery adds to the long, colorful history of a former wheat mill, and before setting sail towards the Pacific coast, you'll stop in for a tour and taste of inspiration.

### Day 7: Cannon Beach / Astoria

Today is the ultimate coastal experience. The tasting room at The Wine Shack presents your last opportunity for learning about Washington and Oregon wines with a tasting and presentation by the owner and winemaker. And only a stroll away, you'll have a chance to sample craft, infused olive oils at the Oil and Vinegar Bar at Cannon Beach. There'll be plenty of time to take in the magic of the Pacific seacoast before returning to Victorian Astoria for some free time and a grand finale Captains Dinner!

### Day 8: Portland, Oregon Disembark

Sated, your week of wineries and rivers exploration has come to an end. Enjoy breakfast with friends and say farewell to your crew before disembarking for your included transfer to the Portland airport.
