ANCIENT TRADITIONS & NORWEGIAN FJORDS - LUXURY ADVENTURE CRUISE

Set off with PONANT on an itinerary along the Norwegian coastline, where cliffs carved by the sea and the wind produce still wild fjords, between snow-capped mountains and frosted landscapes. From Tromsø, set off aboard Le Bellot for a 11-day cruise discovering these natural beauties. Your embarkation in Tromsø will mark the start of your immersion in the land of the Sami, a reindeer-herding ancestral people. From fascinating Alta to historic Narvik, you will be privileged to encounter one of the last indigenous cultures on European soil, during the visit of a traditional camp, the telling of age-old stories or sessions chasing the Northern Lights. Your ship will then make its way south. You will witness the mysterious charm of the Lofoten archipelago. These islands have landscapes of surreal beauty alternating between sea, spectacular fjords, mountain slopes and bright-coloured huts on stilts. Le Bellot will then reach the Norwegian town of Geiranger and its sublime fjord, a UNESCO World Heritage Site, before crossing the Arctic Circle. You will take the Eagle Road - the only road in winter, - which offers breathtaking views of the fjord, the impressive Seven Sisters waterfall and the farms in Eisdal village. You will then reach Bergen, a city founded by the Vikings almost a thousand years ago, and renowned for its seven mountains encircling the city centre and the Hanseatic wharf in the charming and picturesque historic district of Bryggen, a UNESCO World Heritage Site. Your ship will finally head for Copenhagen, your disembarkation port.

ITINERARY

Days 1 - 2 TROMSØ

In the north of the Arctic circle you'll discover Tromsø, a secluded town located in the county of Troms. Norwegians call it the "Paris of the north". You'll soon see why when you discover its extensive neoclassical architectural heritage. A stunning example is the Arctic cathedral, a major monument whose stylistic purity echoes the outline of the mountains surrounding the town.

Day 3 ALTA

Beyond the Arctic Circle, Alta, in the far north of Norway, is the biggest city in Finnmark county. Alta will reveal itself to you at the end of the eponymous fjord, Altafjorden. The region offers a mix of forest, mountainous and coastal landscapes. It is on the verge of obtaining the "sustainable destination" label, a national label awarded to destinations that are committed to a sustainable approach to tourism for the long term. Alta invites you to experience unique moments, whether meeting the Sami people reindeer herders who have ancestral traditions and yet embrace modernity or during walks, snowshoe hikes or dog sledding, depending on the season.

Day 4 AT SEA

During your day at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This day without a port of call will also be an opportunity to enjoy the conferences or shows proposed on

A truly enchanted interlude, combining comfort, rest and entertainment.

Day 5 NARVIK

Beyond the Arctic Circle, you will discover Narvik, nestling in the heart of impressive mountains that plunge into the Ofotfjord. It is on the verge of obtaining the "sustainable destination" label, a national label awarded to destinations that are committed to a sustainable approach to tourism for the long term. You will be mesmerised by its scenery. From Narvik, it is possible to take the Ofoten Line towards Sweden. This historic railway once linked the mineral-rich mines of Kiruna in Sweden to the ice-free port of Narvik. You will experience unique moments whether meeting the Sami people reindeer herders who have ancestral traditions and yet embrace modernity.

Day 6 LEKNES, LOFOTEN

Way beyond the Arctic Circle, Lofoten Islands are truly considered to be in "another world". A jewel of nature in its most pristine state, this archipelago with its jagged coastline offers you majestic settings of high alpine summits, sandy beaches, green prairies and fjords of a deep blue, where countless bird colonies make their nests. Whether you visit Å, or Nusfjord, listed by UNESCO, enjoy authentic and memorable moments.

The splendour of the sheer cliffs, dark rock and crystalline water are the stars of the show here. The sides of the fjord offer many possibilities for hiking: the Eagle's Road takes you up to a steep stretch offering a gorgeous panoramic view. A visit to Geiranger village will immerse you in the rhythm of life in the little local community.

Day 9 BERGEN

Located at the end of Byfjord, Bergen was the capital of Norway in the 12th and 13th Centuries and has preserved some very beautiful monuments from the time when it was home to royalty. Wandering through Bergen's streets means going back in time, in search of the hidden treasures that have been listed as World Heritage Sites by UNESCO. A veritable openair museum, Bergen is home to a thriving artistic community of painters, potters, jewellers. The Bergen cable car offers you a splendid panorama over the port and the surrounding fjords. Do not miss the visit to the old quarter with its narrow streets, a testimony of the power of the hanseatic League that controlled trade in Northern Europe
