ITINERARY

DAY 0 Pre Cruise

One-night pre-cruise accommodation with breakfast in a 4/5-star hotel or onboard

DAY 1 USHUAIA

Nestled in the foothills of the snow-capped Martial Range,

Ushuaia's colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. As one of the world's southernmost cities, Ushuaia carries its 'end of the world' reputation well. The moody weather and dramatic surroundings certainly help. Board your boutique ship before departing for your journey through one of the most captivating wilderness regions of the world.

DAY 2-3 DAY AT SEA

Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

DAYS 4-8 ANTARCTIC PENINSULA

Among captivating glaciers, majestic icebergs and snowy islands, the Antarctic Peninsula is where most visitors to the White Continent live their Antarctica dream. It's the most accessible part, with scientific bases and incredible scenery, like the photogenic Lemaire Channel. Shore excursions might include Petermann Island, where among Adelie penguins, blue-eyed shags and skuas, huge, lumbering elephant seals haul out.

DAYS 9-10 DAY AT SEA

Days at sea are the perfect chance to relax, unwind and do whatever takes your fancy. So whether that is going to the gym, visiting the spa, trying to spot a whale from the deck, reading a chapter or two, or simply topping up your tan, these blue sea days are the perfect balance to the green days spent exploring on land.

DAY 11 USHUAIA

Ushuaia is the gateway to the White Continent. Nestled in the foothills of the snow-capped Martial Range in Argentina's Patagonia region, Ushuaia's colourful streets and mismatched buildings cascade from the imposing mountains before coming to an abrupt halt at the shores of the Beagle Channel. Often described as 'the End of the World', the city carries the reputation well - the moody weather and dramatic surroundings certainly help.

To ensure that all guests can safely evacuate during an emergency, guests requiring a wheelchair can only be accommodated in our ADA-accessible cabins. We offer an Oceanview and a Balcony stateroom on Diana. These staterooms are specifically designed to be completely ADA compliant and have a fully operable wheelchair-access wet unit. Diana has two lifts, serving every passenger deck apart from the Stargazing top deck, which is, therefore, more difficult to access, as are the Aft Marina and

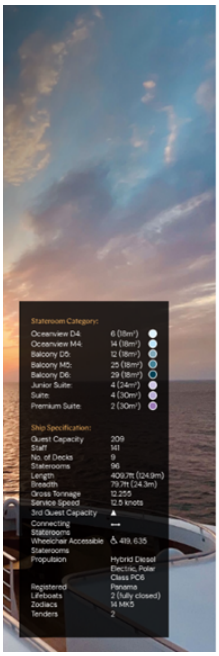

Swan's Nest forward observation platform. Also, we don't have special equipment to access the swimming pool, jacuzzi, or sauna. Otherwise, the ship is entirely at your disposal. Many of the expeditions ashore in remote places are by Zodiac. Boarding these boats and returning aboard can present challenges for wheelchair users, as can navigating uneven terrain. These challenges are by no means always insurmountable, though, and our highly experienced crew is trained to provide reliable advice and assistance. They will make every effort to ensure wheelchair-using guests enjoy a memorable experience at each destination. Our general guidance, however, is to recommend wheelchair users travel with a companion for their ease and enjoyment. If you prefer to remain aboard, our panoramic interiors and ample open decks ensure an immersive, intimate experience of your inspiring

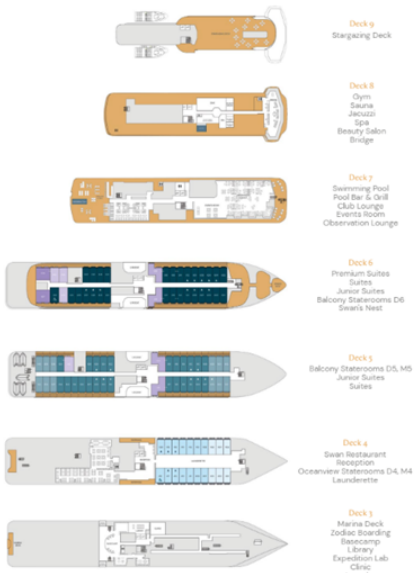

surroundings.
