## ANTARCTICA DIRECT: FLY THE DRAKE PASSAGE FROM PUERTO NATALES

Experience the wild grandeur of the White Continent in a more efficient, expedient way with our eight, nine and ten-day options. On this new itinerary, bypass the traditional Drake Passage crossing on a two-hour flight to and from Antarctica, and discover all of the highlights without sacrificing the extra time. Travel with a diverse team of experts aboard our intimately scaled National Geographic Explorer and National Geographic Orion, purpose-built for polar exploration. Venture into channels and coves framed by towering peaks. Watch for whales off the bow; Zodiac cruise around enormous icebergs; and hike, kayak and (in November) even possibly cross-country ski or snow-shoe in complete tranquility. Choose an active agenda or surrender to the pleasures of relaxing downtime and shipboard camaraderie. Plus, get top shots with the help of a National Geographic photographer. NOTE: This is an expedition in the truest sense--flexibility is key. Delays and early departures of flights due to inclement weather are common in Antarctica. In the event of a flight adjustment, your expedition team may implement a contingency plan with alternative activities. 9 and 10 day itineraries available, please get in touch for more information.

Following breakfast, check out of the hotel and transfer to the airport for our 2-hour direct flight to King George Island and the thrilling start to our Antarctic adventure. Home to a diverse assortment of wildlife--Weddell and elephant seals, Adelie, chinstrap and gentoo penguins--King George Island also has a human presence. Researchers from a wide range of countries, including the US, Chile, Argentina, and Brazil, call the various stations home. Our flight will land at the Chilean research station where the National Geographic Explorer will be waiting offshore. Board Zodiacs to embark the ship and set sail.

Meals Included: Breakfast, Lunch, Dinner

DAYS 3-6 Exploring Antarctica

With long hours of daylight at this time of year, we have ample opportunities to explore. Our schedule is flexible, allowing us to

take advantage of the unexpected, whether we're watching whales at play off the bow of our ship, hiking alongside penguin highways, or enjoying an evening Zodiac cruise amid porpoising penguins.

While wildlife is magnificent, ice defines the Antarctic. You'll get to know ice up close and personal--from icebergs the size of islands, bergy bits and near-vertical glaciers, to the fragile, nearly invisible layers that have just begun to freeze. One day, we might set out by kayak to encounter towering icebergs at water level; embark on a Zodiac excursion in search of seals and blue-eyed shags; or walk amid thousands of Adelie and gentoo penguins. The next, we might experience the thrill of the ship crunching through pack ice.

Everywhere we go in Antarctica we're surrounded by opportunities to capture uniquely beautiful images. Along the way your expert expedition team will enrich every experience.

Meals Included: Breakfast, Lunch, Dinner

DAY 7 King George Island / Disembark Ship / Puerto Natales

This morning, the ship will be moored off of King George Island once again. Following disembarkation and Zodiac rides to shore, our flight departs the White Continent and returns to Puerto Natales where we overnight at Hotel Costaustral or Remota Patagonia Lodge (or similar).

Meals Included: Breakfast, Lunch, Dinner
