Day 2: Nafplion - Ancient Epidaurus - Mycenae

We leave our ship early in the morning to drive to Ancient Epidaurus for our optional excursion. Morning arrival in Pylos, a picture-perfect seaside town of the SW Peloponnese. Sitting on the backside of stately Navarino Bay, Pylos was site of several famous naval battles: the Battle of Navarino in 1827, where a combined fleet of British, French and Russian warships sank the Ottoman fleet at anchor, led to the independence of Greece, in 1829. Today, our optional excursion takes us by bus along the coast of Western Peloponnese crossing the Messenian countryside between Methoni and Koroni. First stop in Methoni which is a charmingly picturesque little town with the imposing Medieval Castle being the central attraction. Next destination is Koroni, once a Venetian naval fortress. This delightful town, clustered on a hillside, has narrow, cobbled streets and stairways leading up to a Venetian castle protected the waterways. Visiting the old town in the Castle we will discover little gems of architecture being well preserved. Sip your refreshment at the colorful port and enjoy some free time before we return to the ship for lunch. Late night sailing to Katakolon. Overnight at sea.

Day 6: Katakolon - Olympia (Optional excursion)

Early morning arrival in port of Katakolon, in Pyrgos, which in ancient times was the natural harbour for Ancient Olympia and in the Middle Ages was the site of the so called "Pontikokastro", or "Beauvoir" or "Bel Vedere" Castle. Katakolon is also known for being the birthplace of Yiannis Latsis, the Greek shipping

multi-billionaire tycoon, who's paternal home operates today as Museum of Ancient Greek Technology as well as its historical lighthouse. Today, our optional excursion takes us by bus to Olympia, one of the most famous and important sites in the ancient world. Olympia is revered as the birthplace of the Olympic Games and the greatest Pan-Hellenic sanctuary for the worship of Zeus. The most thrilling site at Olympia is the very stadium, which looks much like it did more than 2,000 years ago. Explore the Temple of Hera, the magnificent temple of Zeus, the Philippeion, built to honour the family of Alexander the Great, and the Leonideion, lodging place for the athletes. We later visit the Olympia Museum, one of the most beautiful museums in the world, hosting many astonishing exhibits. Traditional lunch in the town of Olympia and optional visit to the museum of the History of the Olympic Games of Antiquity (provided it is open in the afternoon). Time at leisure and depart for Itea in the Gulf of Corinth. Overnight at sea.

Day 7: Itea - Delphi (Optional excursion)

Morning arrival in Itea, the second largest city of the Municipality of Delphi. Proceeding to Delphi for our optional excursion, we will pass by the Corinth Canal. Unlike other archaeological sites in Greece, Delphi is built on the side of a mountain and the panoramic views are truly inspiring. Delphi was revered for hosting the most important oracle in the classical world and visitors from across the Greek world travelled here to consult with the oracle. We will walk around the ruins complex including the Sanctuary of Athena Pronaia, the Castalian Spring and the Gymnasium and visit the adjoining museum. Return to the ship for lunch and afternoon sailing. Later in the evening Captain's
