Concrete platforms built into lava rocks along the oceanside create an astonishing scene at the nearby Praia dos Biscoitos, where the waves crash against the volcanic shoreline. While Western Europe's oldest city boasts an array of Baroque and Neoclassical

architecture, that does not mean it has remained stuck in the past. On the contrary, the colorful culture and vibrant life that runs throughout the city's restaurants, shops, and rooftop bars make it buzz with infectious energy. Taking a tuk tuk through its hard-to-reach passages allows you to experience Lisbon as the locals do.
