

BAJA CALIFORNIA'S WHALES & SEALIFE - 7 NIGHT CRUISE

Stocked with supplies and a bountiful sense of adventure, our Baja cruise follows Steinbeck's path into the protected waters of Cousteau's "world's aquarium." Active exploration and a menagerie of wildlife await you! You have plenty of opportunities to view your favorite whales throughout your trip from grey whales to whales sharks, visiting them in their natural habitat or watching from the bow. Later in the season? No problem, there are opportunities for orca and mobula watching, with some of our favorite "flying tortillas" in the Sea of Cortez.

ITINERARY

Day 1 San Jose del Cabo, BCS, Mexico – Arrival

Arrive at San Jose del Cabo International Airport (SJD) and be transferred to the Tropicana Los Cabos, Tapestry Collection by Hilton. Once settled in, you'll have the perfect base to begin exploring everything Cabo has to offer. On Thursday evenings from 5-9 p.m., don't miss the celebrated San Jose del Cabo Art Walk. Held weekly in the historic Gallery District, this lively event transforms the cobblestone streets into a vibrant cultural scene featuring local and international artists, renowned galleries,

street performances, and live music. It's an inspiring way to ease into your getaway. Dinner is on your own tonight--an ideal chance to discover one of the many acclaimed restaurants just steps from your hotel.

Day 2 La Paz, BCS, Mexico – Embarkation

In the morning, transfer by coach to La Paz. Spend some leisure time exploring La Paz at your own pace, discovering its relaxed seaside charm and vibrant local culture. Stroll the scenic Malecon, browse artisan shops, or simply enjoy the calm beaches and inviting cafes that make this coastal city so memorable. In the early evening board the Safari Voyager, settle into your cabin, meet your expedition team, and enjoy a welcome cocktail and dinner.

Day 3 Morning Sea Life Search and Los Gatos

Spend the morning cruising the San Jose Canal while watching for marine mammals. During this time, you will receive gear and orientation from your expedition team. In the afternoon, go ashore at Los Gatos for snorkeling, kayaking, beachcombing, or hiking into desert landscapes.

Day 4 Bahía Agua Verde and Burro Ride

At Bahia Agua Verde, turquoise water is framed by rugged, green-tinged mountains. Explore the coast by skiff while watching for birds, seals, dolphins, and whales. Meet a local ranchero and his family and take a burro ride through canyons and hillsides for an authentic glimpse of rural Baja life. This area also offers excellent hiking, kayaking, morning bird walks, or a possible snorkel.

Day 5 Morning at Isla Monserrate, Afternoon Whale Search

Visit Isla Monserrate in the morning. Snorkel in clear water, paddle a kayak along rocky coves, or relax on the beach. Guided hikes lead up to ridges with sweeping views of the Sea of Cortez. Your crew may also set up a beach party here, where you can enjoy water activities or hang out on the beach with drinks and snacks. In the afternoon, search for whales and other marine life from the Safari Voyager.

Day 6 Isla San Jose Park and Cayo-Amatortajda

Arrive at Isla San Jose and explore its shallow interior lagoon, a great spot for kayaking and birdwatching. Mangroves line the water, and you'll paddle through winding channels that feel a bit like the Everglades, keeping an eye out for wildlife along the way. Later, return to shore for some relaxed beachcombing near Cayo Amortajada.

Day 7 Isla San Francisco

Immerse yourself in the striking beauty of Isla San Francisco, where red bluffs, white sand beaches, and sweeping ridgelines set the stage for a full day of exploration. This is a true big beach party day, with time to spread out along the crescent shaped shore, wander quiet salt flats, and relax by the water. The highlight is the ridge hike, rewarding those who climb with panoramic views across the Sea of Cortez. From shore walks and kayaking along dramatic coastlines to snorkeling among colorful fish, the day offers a perfect blend of active adventure and laid-back island time.

Day 8 Sea Lion Snorkel (Los Islotes) and Isla Partida

Rise early for an advanced snorkel at Los Islotes, home to a thriving colony of juvenile sea lions, where curious pups often swirl and glide alongside snorkelers for truly unforgettable encounters. Skiff tours offer another perspective on the colony, with excellent opportunities to observe sea lion behavior from the water, while keeping an eye out for blue-footed boobies perched along the rocks. In the afternoon, continue to Isla Espiritu Santo or Isla Partida for a mix of kayaking, snorkeling, hiking, or a festive beach gathering with your shipmates, rounding out a day rich in wildlife, exploration, and classic Baja adventure.

Day 9 La Paz, BCS, Mexico – Disembarkation

After breakfast, say farewell to your crew and fellow travelers. Disembark in La Paz and transfer to San Jose de Los Cabos International Airport (SJD) for your return flight.
