THE BEST OF KAMCHATKA

Fire, Land and the Ocean have created an untamed paradise, which is still free and almost forgotten. Like a jewel in its presentation case, the unspoiled nature will open to reveal its volcanoes, acid lakes and geysers, on the fault lines of the Earth and of Time, at the heart of remote lands. A part of the world that is unfamiliar to the general public, the volcanic Kamchatka Peninsula offers a truly remarkable and infinitely beautiful natural show, where the word "wild" really comes into its own. A sensation of infinity for the traveller on board L'Austral. Note: Expedition cruise - all zodiac landings included in the cost. Note: Air package included.
