BODRUM AND THE GOKOVA GULF GULET CRUISE

As if this coastline wasn't beautiful enough you've got the opportunity to cruise onboard the lovely gulet Boreas. It's the perfect way to get away from crowded holiday resorts, be immersed in nature, swim in turquoise coves, find plenty of space and opportunity to relax onboard and eat fabulous food prepared by the onboard chef - as a special treat you might even decide to sleep outside on deck under the stars.

DAY 1: BODRUM

Wander around the castle, ancient amphitheatre or Myndos Gate through which Alexander the Great entered. Boarding starts from 16:30. If all guests arrive before 18:30, your boat will set sail immediately and cruise to a nearby cove where you will have dinner; otherwise your boat will remain anchored in Bodrum for dinner and overnight stay. For guests arriving after 21:30 a snack will be prepared (sandwich, fruit etc).

Day 2: ORAK ISLAND - COKERTME

After breakfast you will be informed about the cruise itinerary and boat. We will cruise to Orak Island where you will have the opportunity of swimming in the crystal-blue waters and enjoying lunch. We will cruise to the bay of Cokertme for dinner and we will overnight close to this cute fishing village. It's possible to take a short walk along the beach after dinner to explore this area.

Day 3: SEVEN ISLANDS (KUFRE / UZUN LIMAN) - AYINDA BAY

An early morning cruise before breakfast will take us to Seven Islands, a region which is full of small islands and coral reefs. If the weather conditions permit, it may be possible to use sails on our way to the island of Kufre, before moving and dropping anchor at Uzun Liman. Dinner will be overnight in Ayinda Bay.

Day 4: CLEOPATRA ISLAND – KARACASOGUT

The day starts by cruising to Sedir Adasi (Cleopatra Island). Reputedly visited by Cleopatra in Roman times, this island resembles an open air museum with its sandy beach and open air Byzantine ruins and an amphitheatre. Later we will cruise to Karacasogut for dinner and an overnight stay.

Day 5: LONGOZ – TUZLA BAY

Start your day with a relaxing swim and breakfast before anchoring in Longoz Bay for lunch, a beautiful bay nestled amongst pine forest. The turquoise waters of Tuzla bay await us for our overnight stay.

Those who want may join an optional daily excursion to the famous Turtle Beach and the green delta of Dalyan as well as the ancient rock tombs near English Harbour. The name comes from the time of World War II as the ships of British Navy forces used to dock here. Following a swimming break we will anchor for dinner and then overnight in the beautiful bay of Ayinda.

Day 6: KARGILI – KISEBUKU

An early start sees us arrive at Kargili Bay for breakfast and your first swim of the morning. Our next stop will be Kisebuku where you can visit Byzantine ruins.

Day 7: PABUCBURNU – YALICIFLIK – BODRUM

We will cruise to Pabucburnu after breakfast and enjoy lunch here. An optional village tour can be arranged from this point for those who are wishing to experience local village life at Yaliciftlik. Then we will cruise back to Bodrum Port so you can explore at your leisure. Dinner is not included this evening so you can see what Bodrum has to offer

DAY 8 BODRUM

Breakfast in port and time to say your goodbyes to the Captain and crew until next time.

Subject to the sea, weather and operational conditions the Captain may change the itinerary if necessary.
