CAPE YORK AND ARNHEM LAND - CAIRNS TO DARWIN (CORAL DISCOVERER)

The Cape York and Arnhem Land expedition is a fascinating tapestry that immerses keen explorers in the very best of Australia's northern coastline. Guests onboard will explore some of the finest locations of the World Heritage-listed Great Barrier Reef, enjoy sunrise at the very 'Tip of Australia' at Cape York, before venturing into the remote Arnhem Land Coast and the rarely visited Tiwi Islands. Join us aboard Coral Discoverer in Cairns for a remarkable 11-night voyage of discovery to Darwin, visiting otherwise inaccessible locations and developing a rich understanding of the culture of the traditional owners of the Torres Strait and Arnhem Land. At the start of your expedition, choose to swim and snorkel in the clear tropical waters of the Great Barrier Reef. Explore the northern reef and tour the fascinating Lizard Island Research Station to learn how scientists are preserving the Reef for future generations. Savour a glass of champagne as the sun rises over the northern 'Tip of Australia' on the Cape York Peninsula and discover the fascinating history of the Torres Strait Islands. As you travel West, you'll meet artists who have exhibited in galleries around the world, and visit remote art centres. You'll learn of the Macassan sailors of the 17th century as we cruise the Arnhem Land coast, and experience the warm hospitality of the rarely-visited Tiwi Islanders as they share their ancient culture and traditional lifestyles with us.

ITINERARY

DAY 1: DEPART CAIRNS

Board Coral Discoverer at Cairns Cruise Liner Terminal at 4:00pm for a 5:00pm departure. Enjoy lunch on board and a chance to meet your fellow travellers as we set sail northwards. This evening join guests and the friendly crew as we enjoy the Captain's welcome drinks and sit down to the first of many delicious dinners.

LIZARD ISLAND

Explore secluded Lizard Island, one of the most beautiful islands on the Queensland Coast, and venture into the crystal clear waters for swimming and snorkelling or take a walk along the white sand beach. The more energetic may join our guides on a walk to 'Cook's Look' on the island's peak and the highest lookout on this part of the reef. From this high point, Captain Cook was able to navigate a safe passage back through the treacherous waters after repairing the HMB Endeavour near Cooktown over 200 years ago. A photographer's delight, the views from the lookout over the World Heritage-listed reef and surrounding tropical islands are magnificent.

Visit Stanley Island in the Flinders Group, and view the isolated Endaen Aboriginal rock art depicting the first sailing ships to visit Queensland shores. At Davie Reef, enjoy swimming and snorkelling and observe the large seabird rookery.

FORBES ISLAND

Enjoy a day exploring Forbes Island, an excellent spot for swimming or snorkelling from the pristine sandy beaches. Take a walk to the grave of beche-de-mer fisherman Frederick Lancaster.

NORTHERNMOST POINT: CAPE YORK

Go ashore at the northernmost point of the Australian continent as the sun rises, and sip champagne to welcome the new day.

THE TORRES STRAIT ISLANDS

Anchoring at Thursday Island, learn about the historic pearling fleet and the cultural differences between the Torres Strait and Aboriginal peoples. You may also visit other Torres Strait islands, such as Badu or Moa.

CRUISING THE GULF OF CARPENTARIA

Enjoy a relaxing day at sea, with time to attend informative presentations by our guest lecturers.

HOLE IN THE WALL AND WESSEL ISLANDS

We travel through the narrow channel between Raragala and Guluwuru Islands, known as the 'Hole in the Wall'.

ELCHO ISLAND: GALIWIN'KU AND GAWA

The friendly locals of Elcho Island proudly welcome us to their community this morning. Meet some of the local artists who have their unique art exhibited in the famous art galleries of the

world including the Louvre. In the afternoon, visit the community and school of Gawa.

MANINGRIDA

Anchor in the mighty Liverpool River and travel ashore to explore the Maningrida Art Centre, museum, and the local boutique, where hand-painted textiles can be purchased.

COBOURG PENINSULA

Discover Garig Gunak Barlu National Park on the Cobourg Peninsula. Join Park Rangers in Port Essington, famous for the failed Victoria Settlement, and explore the ruins while learning about the fascinating history of this early colonial outpost.

TIWI ISLANDS

Visit remote Bathurst Island. With local Tiwi guides, we learn of the unique culture and visit the art centre. Be welcomed with a cultural performance and basket-weaving exhibition before enjoying a traditional Australian afternoon tea of damper and billy tea.

DAY 12: ARRIVE DARWIN

Arrive in Darwin and disembark at 8:30am.

Please Note:

This itinerary is an indication of the destinations we visit and activities on offer. Throughout the expedition we may make changes to the itinerary as necessary to maximise your expeditionary experience. BUILT/REFURBISHED:

Yacht-like Coral Discoverer set a new benchmark standard of sophistication in expedition cruising when she was constructed by us in 2005. Coral Discoverer sailed on pioneering expeditions through Papua New Guinea, the islands of the South Pacific, Vanuatu, New Zealand, West Papua, and the Spice Islands. She led explorations into remote areas, focusing on destinations that were largely inaccessible to larger cruise ships. Coral Discoverer is exceptionally nimble and maneuverable, with a shallow draught to get up close to destinations, ocean views from all public spaces, an expansive open-air sun deck, all outside-facing staterooms, and state-of-the-art tools for exploration including the Xplorer, zodiacs, a glass-bottom boat, and kayaks. A full refurbishment in 2018 saw the addition of private balconies, the much-loved Xplorer sundeck bar, and all new furnishings throughout the ship. Comfortable, reliable, and intimately scaled, Coral Discoverer now conducts expeditions across Australia's coast - Tasmania, Cape York and Arnhem Land and the Kimberley. Australian flagged and staffed by an Australian and New Zealand crew, your experience aboard Coral Discoverer will be memorable. Onboard Accommodation Onboard accommodation comprises 36 spacious modern

staterooms. You can select from Bridge, Promenade or Main Deck staterooms offering a choice of twin through to junior king-size doubles. All staterooms have an ocean view, en-suite facilities, settee, large wardrobe, desk, luggage storage, individual air-conditioning control, and are serviced daily. Onboard Facilities What you would expect of a much larger cruise ship: Large sundeck Spa Pool Guest computer Comprehensive reference library Phone and fax facilities Lecture lounge with large plasma screen Limited laundry facilities Two fully stocked cocktail bars Boutique and dive shop Air-conditioned public areas Coral Discoverer is equipped with the latest technology active stabilizers and is fitted with state-of-the-art safety and navigational equipment and is the only Australian passenger ship registered with full SOLAS compliance allowing opportunities to explore a multitude of international voyages. Dining All meals during the cruise are included. Breakfast and lunch are served in the Dining Room located on the Main Deck and are buffet-style while dinner is table d'hote. Coffee and tea is available 24 hours. Standard hours are breakfast from 7:00-8:30am, lunch at 12:30pm and dinner at 7:30pm however meal times may vary according to the day's activities. Meal times will be advised in the onboard daily bulletins. Excursion Boats And Zodiacs The "Xplorer" is a specially designed aluminium excursion vessel used for the majority of our excursions. This vessel has high horsepower engines and will accommodate all passengers at one time. The "Xplorer" will be used for landings and for extensive exploration of rivers and tributaries. For your added convenience and comfort, the "Xplorer" is equipped with an awning and toilet. We

also carry two inflatable landing craft (Zodiacs). Designed for expedition work, these large and heavy-duty inflatables are extremely safe. Separate air compartments retain a large reserve of buoyancy even if the boats damaged. The flat bottom design permits these crafts to land directly onto the beaches. Expect nonetheless to wade through shallow water to reach the shore. See photo
