

CELEBRATE ANTARCTICA 2021 (ISLAND SKY)

Our most popular Antarctic Peninsula voyage offers an abundance of wildlife viewing opportunities as well as possible stops at active scientific or historic bases.

ITINERARY

Day 1, Ushuaia

We've eliminated the anxiety of missed connections and flight delays by providing a two-night hotel stay at the beautiful Arakur Resort & Spa. Most flights arrive in Ushuaia in the late afternoon or early evening. Bring your bathing suit, lounge in the spa, or take a bath, and then get over your jet lag with good night's sleep. You'll have a full day on day two to relax at the resort or explore town, before embarkation on day three.

Day 2, Ushuaia

Today is all yours: explore some of the sights that Ushuaia has to offer, from museums to Argentinean leather markets, or continue relaxing at the lovely Arakur. Our optional evening briefing is a great opportunity for you to ask questions and meet some of your fellow travelers. All guests need to arrive at the hotel no later than the evening of day two.

Day 3, Embarkation

After a complimentary buffet breakfast, you're free to explore Ushuaia or unwind at the resort until our mid-afternoon transfer to the ship. Once on board, you'll be greeted by our Expedition Team and the ship's officers. A concise safety and orientation briefing will be followed by the Captain's welcome dinner. After dinner, relax and take in the scenery on our early evening sail through the Beagle Channel, past porpoising Magellanic penguins, Rock Cormorant, and Black-browed Albatross.

Day 4-5, Drake Passage

As we make our way ever closer to the white continent, numerous Polar Experts will prepare you with presentations on everything Antarctic, from wildlife to history. Eventually, we'll cross the Antarctic Convergence where we'll notice a distinct drop in temperature as we enter the waters of the Antarctic Ocean. Those interested in Citizen Science can take part in SeaBird sighting surveys, or help collect salinity samples and weather data along the way. We're likely to witness some spectacular sights, from icebergs to an array of seabirds and whale species. If we're lucky, we may see some of them fully breach from the sea.

Day 6-7, South Shetland Islands

In the waterways of the Antarctic Peninsula, we will hope to make as much time as possible to explore by inflatable Zodiac boats and marvel up close at nature's glory. Our Expedition Leader and Captain will create a flexible itinerary based on weather, ice, and opportunity. We will aim for the most scenic bays and channels of the Peninsula with stops at penguin rookeries, seal wallows, bird colonies and whale feeding areas, as well as sites of historic and scientific interest. Our first sight of land will likely be that of the South Shetland Islands. These highly volcanic islands offer amazing abundance and beauty. We may visit Half Moon Island nestled inside Livingston's eastern shore, or conditions permitting visit historic Deception Island. Being further north, sub-Antarctic species are more commonly found here, including Chinstrap penguins and Southern Elephant seals

Day 8-10, Antarctica

As we head south across the Bransfield Strait, we enter the Trinity Coast and Gerlache Strait. Here we may explore picturesque Neko Harbor, sheltered Paradise Harbor, the Humpback whale favored Wilhelmina Bay, the striking Lemaire Channel, the wildlife-filled Penola Channel, or the majestic Neumayer Channel. We may stop at an active scientific base such as Poland's Arctowski or Ukraine's Vernadskiy as well as a historic base such as U.K.'s Port Lockroy or Wordie House. Adelie, Chinstrap and Gentoo Penguins abound, and Weddell and Crabeater seals are often found hauled out to rest along with predatory Leopard seals and the assertive Antarctic Fur seal. Minke and Humpback whales are frequent visitors in the late season and Orca sightings are also common.

Day 11-12, Drake Passage

As we leave this magical place and make our way north, heading again across the Antarctic Convergence and the Drake Passage, we will continue our presentation series and wildlife spotting. Sailing back to Ushuaia through the Beagle Channel, we celebrate the conclusion of our expedition with a special slideshow.

Day 13, Ushuaia disembarkation

Morning disembarkation lets you catch a flight to Buenos Aires or stay in Ushuaia for more sights and adventure.

YOUR SHIP: ISLAND SKY

YOUR SHIP: Island Sky

VESSEL TYPE:

LENGTH:

PASSENGER CAPACITY:

BUILT/REFURBISHED:

With a maximum passenger capacity of only 116, a vessel of her size is capable of carrying many more but instead the MS Island Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks. There is a high ratio of crew to passengers- the friendly crew of 75 crew and Scandinavian captains are experienced mariners, having been in service aboard large 2000 plus passenger vessels and who now prefer a less frantic life aboard a small ship. If, like them and us, you prefer a more peaceful life at sea, you will find the MS Island Sky the perfect ship. When choosing the vessel for your next voyage of discovery, you can select a ship with endless entertainment and impersonal service or come with us where peace, high quality service and attention to detail are the order of the day. We promise there will be no organised entertainment, fancy dress, deck games or any of the usual big ship experiences. The atmosphere on board is more akin to a private yacht or country hotel. A little music in the lounge or bar after dinner, guest speakers, informative port briefings from our cruise director and of course good food which may be enjoyed leisurely in the attractive dining room. After a day ashore you will return to the comfort and peace of a well run and exceedingly

comfortable ship. Your Suite Onboard there are 57 exceptionally spacious and well designed suites. All feature a sitting room area and some have private balconies. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and all suites have outside views. Each affords considerable comfort with en-suite bathroom featuring marble-topped vanity unit with sink and walk-in shower, large wardrobes, dressing table with large mirror and stool and excellent storage. There is a mini-fridge, flat screen television with inbuilt DVD player which can also play CDs and a telephone in each suite. Bottled water, towelling dressing gowns and slippers are also provided for your comfort. Other facilities include a programmable electronic safe, hairdryer, assorted toiletries and individually controlled air-conditioning and heating. The suites on each deck have their own colour theme. Soft hues and blended tones enhance the traditional maritime style making the passenger accommodation an inviting and relaxing place to be. Your Space The spacious and finely decorated public rooms include a large lounge where daily briefings and talks will be provided throughout the voyage and an elegant bar where a pianist plays periodically throughout the day. The bar also features a 24-hour tea and coffee station. The onboard library is the perfect place to relax with a book and is stocked with reference books pertaining to the places the vessel is visiting along with a selection of games and two computers with internet access. Daily newspapers and magazines are also placed in the library depending on local availability. There is

also WI-FI access throughout the vessel. Outside there is a rear sun deck where meals are served in warm weather under shade, a bar and comfortable deck furniture for sun bathing or relaxing with a book. On the top deck there is a Jacuzzi and further observation and sun deck. There is also a small hairdressers on board with appointments made on request. Your Dining Another benefit of a small ship is the quality of the cuisine. With only one sitting and a maximum of just over 100 passengers, the galley is able to provide delicious meals. Where possible and when it meets his high standards, the chef will obtain local produce in markets or buy the catch of the day from a passing fishing boat. Such purchases enhance the well stocked larders and bring a local touch to the

varied menus.
