

CHASE THE RACE: SYDNEY TO HOBART (CORAL DISCOVERER)

Experience the nautical tradition that is the Rolex Sydney to Hobart yacht race! Embarking in Broken Bay on December 26th, soak in the excitement at the start of the race from Coral Discoverer. Watch the fleet sail past as you hear expert commentary from our on-board lecturer Skip Lissiman. We sail the south coast and Bass Strait with the trailing fleet. Once across the Strait enjoy the scenic rugged Tasmanian coast with the opportunity to join our expedition team on a number of guided shore excursions to Tasmania's Parks. Scheduled to arrive in Hobart on New Year's Eve, it's time to enjoy the buzz of the race and New Year's Eve celebrations before disembarking on the 1st January at Macquarie Wharf 2.

ITINERARY

Please note:

This itinerary is designed to capture the best moments of the first few days of the Sydney to Hobart race and highlights of the Tasmanian coastline. The Captain will vary the itinerary to make the most of the views and weather windows of the mercurial southern coast. Throughout the expedition, we may make changes to the itinerary as necessary to maximise your expeditionary experience. Allowances may be made for seasonal variations, weather, tidal conditions and any other event that may affect the operation of the vessel. Coral Expeditions suggests that you do not arrive on the day of embarkation or depart on the day of disembarkation due to any changes that may occur in scheduling. Complimentary coach transfers are

offered from Wynyard Station to arrive at Coral Discoverer's embarkation point in Palm Beach, Broken Bay. You will be met by the ship's tender and transferred to the Coral Discoverer for a 10:00am departure.

SYDNEY: NORTH HEAD

Embark at 8:30am for 10am departure, and enjoy lunch while the ship positions off North head. From the Explorer Bar, celebrate the start of the Sydney to Hobart Yacht Race and watch the fleet round the heads and sail south.

SCENIC COASTAL CRUISE

Cruise the scenic coastline from Sydney. Dependent on weather, stops may include Jervis Bay and/or Twofold Bay. As you cruise, our guest lecturer will present commentary on the Sydney to Hobart Yacht Race and lectures on yachting and maritime history.

BASS STRAIT CROSSING

As we sail through the Southern Ocean, enjoy presentations, spot yachts, or relax on deck and enjoy the vastness of the Bass Strait.

BRUNY ISLAND AND ADVENTURE BAY

Experience the rugged beauty of the Fluted Cape as you walk along the sheer coastal cliffs or cruise for a closer look around Penguin Island. Learn about the rich maritime history of Adventure Bay as you meander past the ruins of old whaling stations on the way to Grassy Point.

MARIA ISLAND

The historic ruins, secluded bays, and rugged cliffs of Maria Island National Park are home to a local population of wildlife

that includes Forester Kangaroos, Bennetts Wallabies, Tasmanian Devils, and wombats. Since the 1960s, several endangered species have been introduced here in a bid to protect them. Visit World Heritage-listed Darlington, part of the "Convict Trail of Australia", and gain an understanding of the life of the early settlers in a restored 17th century convict penitentiary. An adventurous walk to the dramatic Painted and Fossil Cliffs take in the history and beauty of this island.

HOBART

Arrive in Hobart in time for the Sydney to Hobart race celebrations on New Year's Eve. Stroll Hobart's historic wharf. Enjoy farewell drinks with the Captain, and welcome the New Year with a view of the fireworks display over the Derwent River. Disembark at Macquarie Wharf 2 at 9 am.

BUILT/REFURBISHED:

Yacht-like Coral Discoverer set a new benchmark standard of sophistication in expedition cruising when she was constructed by us in 2005. Coral Discoverer sailed on pioneering expeditions through Papua New Guinea, the islands of the South Pacific, Vanuatu, New Zealand, West Papua, and the Spice Islands. She led explorations into remote areas, focusing on destinations that were largely inaccessible to larger cruise ships. Coral Discoverer is exceptionally nimble and maneuverable, with a shallow draught to get up close to destinations, ocean views from all public spaces, an expansive open-air sun deck, all outside-facing staterooms, and state-of-the-art tools for exploration including the Xplorer, zodiacs, a glass-bottom boat, and kayaks. A full refurbishment in 2018 saw the addition of private balconies, the much-loved Xplorer sundeck bar, and all new furnishings throughout the ship. Comfortable, reliable, and intimately scaled, Coral Discoverer now conducts expeditions across Australia's coast - Tasmania, Cape York and Arnhem Land and the Kimberley. Australian flagged and staffed by an Australian and New Zealand crew, your experience aboard Coral Discoverer will be memorable. Onboard Accommodation Onboard accommodation comprises 36 spacious modern

staterooms. You can select from Bridge, Promenade or Main Deck staterooms offering a choice of twin through to junior king-size doubles. All staterooms have an ocean view, en-suite facilities, settee, large wardrobe, desk, luggage storage, individual air-conditioning control, and are serviced daily. Onboard Facilities What you would expect of a much larger cruise ship: Large sundeck Spa Pool Guest computer Comprehensive reference library Phone and fax facilities Lecture lounge with large plasma screen Limited laundry facilities Two fully stocked cocktail bars Boutique and dive shop Air-conditioned public areas Coral Discoverer is equipped with the latest technology active stabilizers and is fitted with state-of-the-art safety and navigational equipment and is the only Australian passenger ship registered with full SOLAS compliance allowing opportunities to explore a multitude of international voyages. Dining All meals during the cruise are included. Breakfast and lunch are served in the Dining Room located on the Main Deck and are buffet-style while dinner is table d'hote. Coffee and tea is available 24 hours. Standard hours are breakfast from 7:00-8:30am, lunch at 12:30pm and dinner at 7:30pm however meal times may vary according to the day's activities. Meal times will be advised in the onboard daily bulletins. Excursion Boats And Zodiacs The "Xplorer" is a specially designed aluminium excursion vessel used for the majority of our excursions. This vessel has high horsepower engines and will accommodate all passengers at one time. The "Xplorer" will be used for landings and for extensive exploration of rivers and tributaries. For your added convenience and comfort, the "Xplorer" is equipped with an awning and toilet. We

also carry two inflatable landing craft (Zodiacs). Designed for expedition work, these large and heavy-duty inflatables are extremely safe. Separate air compartments retain a large reserve of buoyancy even if the boats damaged. The flat bottom design permits these crafts to land directly onto the beaches. Expect nonetheless to wade through shallow water to reach the shore. See photo
