We make a short stop at Risøyhamn, population 200, to deliver passengers, groceries and mail, and then continue to Stokmarknes, where Hurtigruten was founded more than 125 years ago.

Go ashore and visit the Hurtigruten Museum. Continuing south, we slip through a passage into the narrow Raftsund, past peaks rising 1,000 metres from the sea.

Spectacular Trollfjord

We now reach spectacular Trollfjord, only 2 km long, 100 m wide and surrounded by majestic mountains. If possible, we sail inside, where the dramatic landscape inspires images of fairy tales and trolls. Just north, you can opt to see sea eagles up close by boat.

Heart of Lofoten

At Svolvær, you can select several excursion options. We then proceed to Stamsund along the massive Lofoten wall.

DAY 14 : Bodø - Rørvik - Across the Arctic Circle

Celebrate crossing the Arctic Circle with a 'taste' of Arctic tradition - a fun ceremony highlighted by a spoonful of cod liver oil.

Mountain with a hole

As we sail along the Helgeland coast, you'll see the strange mountain Torghatten, famous for its distinctive hole in the centre. The opening is 160 m long, 35 m high and 20 m wide, and was created during the ice age. If the weather allows, join a hike with your guides up the mountain.

Myths and legends

We also sail past the Seven Sisters mountain range - with peaks up to 1,100 m high. The story goes that seven beautiful troll sisters got caught out at sunrise and turned to stone, thus the seven beautiful peaks.

UNESCO heritage

We next make a short stop at UNESCO Nesna, before moving on to Sandnessjøen. From there we voyage towards Brønnøysund a pretty little town that offers a charming high street and marina. You can join an excursion to the Norwegian Aquaculture Centre for an interesting tour and a taste of fresh salmon.

DAY 15 : Trondheim - Ålesund - Rich History and Living Culture

Spend the morning in Trondheim, then sail past beautiful island scenery and some of Norway's smallest communities before exploring Kristiansund and Molde.

Stroll around Trondheim in the early morning as the city wakes. Visit the sacred Nidaros Cathedral, resting place of St. Olav. Then, walk to Gamle Bybro bridge for a photo opportunity over Nid River.

Treat yourself to quality coffee and a Nordic patisserie in one of the Bakklandet district's many chic cafes then walk up to Kristiansten Fort for great views of Norway's third largest city.

Dealing in dried cod

We dock at Kristiansund's harbour in the late afternoon. The town is spread over three islands and known for being Norway's "Bacalao Capital" for the salted cod that's dried on the surrounding cliffs, called klippfisk in Norwegian.

Take a walk around the cobblestone streets of the old town and tour the lively port. You can also head up to the old watchtower at Varden viewpoint for a lovely panorama.

Peaks and petals

The penultimate port of the day is Molde where you can spot the tops of the Romsdal Alps. Nicknamed "The City of Roses", flowers should be in bloom between mid-June and late August.

DAY 16 : Ålesund - Bergen - A Fjord Farewell

During the night, the ship calls at Ålesund, Torvik and Maløy, as

our voyage draws to a close. But before we dock in Bergen, there is some fascinating scenery ahead of us.

Glaciers and lush farmland

We sail through picturesque Nordfjord beneath Jostedal Glacier. This rugged coastal region features farms with fruit orchards and glacial fingers that stretch towards glistening lakes. In the morning, we call at Florø.

Back to Bergen

We navigate the mouth of the mighty Sognefjord and enjoy superb views of the island-studded coastline before you disembark in Bergen.

We hope you will take home memories of stunning nature, wildlife and fascinating culture, and we hope to see you on board again in the near future!

Enjoy even more of Norway

To see more of Norway, we highly recommend our excursion Bergen City Sightseeing (only sold on board) or join one of our Post-programmes to experience more Norwegian cuisine, culture and scenery.

Please Note:

The day-by-day programme will give you a few ideas about what you can see and do on your voyage, but bear in mind that this
