CORSICAN SHORES, UNDER SAIL ABOARD LE PONANT

A land of character and escape, Corsica attracts and inspires in equal measure. There, under the watchful gaze of emblematic summits and shores eroded by sea spray, the historic citadels and the villages clinging to the heady maquis invite you to immerse yourself in a pristine natural environment. On this untamed island, the cliffside villages, with their forgotten chapels and shaded squares, tell of an ancient past. Turn a corner and you can almost sense the presence of Napoleon, Colomba or Pagliacci, legendary figures imbued with the spirit of the island. Whether you are a lover of the sea or a curious traveller, experience once again the indescribable joy of navigating under sail surrounded by the elements. Take your place aboard Le Ponant, a majestic three-mast yacht with elegant lines and an interior designed by the Jean-Philippe Nuel studio to be a warm and intimate setting with a highly distinctive character. As if you were on your very own yacht, savour the freedom of living in the moment, being fully present.

ITINERARY

Day 1 NICE

Capital of the Cote d'Azur, Nice is surrounded by an amphitheatre of hills and mountains that protects it from the wind. You will probably want to explore the Promenade des Anglais, where you can sit on one of the famous blue chairs laid out opposite the baie des Anges. The Chateau hill is also a very pleasant place to walk. This is the entrance to the old city, with its bustling markets and regional products along the main street, the Cours Saleya.

Day 2 SAINT-FLORENT, CORSICA

info@small-cruise-ships.com

In the hollow of one of the most beautiful gulfs of the Mediterranean to which it owes its name, Saint-Florent is an ancient Genoese city whose citadel dominates the bay with its circular architecture. A link between the mountains of Upper Corsica and the Agriates desert, the fishing village has become a renowned seaside resort. In front of this jewel nestled in the hollow of a wild and isolated region, sublime beaches of fine sand border a sea of infinite turquoise shades. At the western tip of the gulf, the Tower of Mortella, built in the 16th century under the Republic of Genoa to prevent from invaders, stands watch. Like most of the towers that dot the Corsican coast, it is an emblematic and familiar symbol of the island.

Day 3 AJACCIO, CORSICA

Birth town of Napoleon Bonaparte, Ajaccio occupies a privileged location on the Île de Beaute. Rich in history and culture, the old "imperial city" is imbued with the memory of this son of the soil. As you stroll through the shaded streets in the old town centre, you'll come across the central market on place Foch, where you can taste one or two local specialities, for instance, brocciu, lonzu or the famous canistrelli.

Day 4 GULF OF SANT'AMANZA, CORSICA

In the south-east of Corsica, between Bonifacio and Porto-Vecchio, the gulf of Sant'Amanza, famous for its magnificent sandy beaches, is revealed. You will benefit from exceptional viewpoints over the landscapes of rare beauty formed by the limestone cliffs, covered with scrub, plunging into the turquoise waters and the granite rocks on the water's edge.

Day 5 BONIFACIO, CORSICA

The spectacular town of Bonifacio located on the very tip of southern Corsica, clings to a narrow promontory of white rock

overhanging the turquoise waters of the Mediterranean. You can admire its limestone cliffs hewn out by the wind, before setting off on a cultural tour of its cultural treasures. From the little paved streets in the ancient Haute Ville, to the promenade on the open-air medieval chemin de ronde, this stunning town will take you on a journey back in time. Frequent or secluded, there are numerous beaches to choose from, all in keeping with the high standards of the "Île de Beaute".

Day 6 GULF OF ROCCAPINA

Nestled between Bonifacio and Sartene, the Gulf of Roccapina offers some of the most iconic landscapes in Corsica. Along the shore, rocky cliffs sculpted by erosion stand as guardians of idyllic beaches, basking in the delightful scent of myrtle. The nearby maquis hides a true treasure: the iconic estate of Murtoli. Stretching to the paradisiacal beach of Erbaghju, this hotel destination celebrates the Corsican way of life and its island traditions like nowhere else.

Day 7 CALVI, CORSICA

Nestled on a rocky spur in the north-west of Corsica, the port of Calvi offers its whiteness between two sapphire-coloured bays. Capital of the Balagne region, the Genoese city benefits from an exceptional natural setting between the abrupt relief of the central chain, fertile hills and long sandy beaches. From the promontory of the Notre-Dame-de-la-Serra chapel, built in the 19th century on the ruins of a 15th century sanctuary, you will not miss the sublime panorama of the seaside, the mountains and the Calvi citadel. A little further west, you will have the opportunity to discover with the peninsula of Revelatta, a wilder and more preserved part of Corsica.

YOUR SHIP: LE PONANT

YOUR SHIP: **Le Ponant**

VESSEL TYPE:

LENGTH:

PASSENGER CAPACITY:

BUILT/REFURBISHED:

Le Ponant becomes world's first sailing yacht to obtain Relais & Chateaux label. After four years of regular ad hoc partnerships, PONANT and Relais & Chateaux are strengthening their ties. The three-master joins the large family of Relais & Chateaux establishments as a new member. It is the first sailing yacht in history to obtain the label and be included in its catalogue of the finest travel addresses in the world. In 2019 & 2020 Le Ponant underwent a huge revamp. Her capacity was reduced from 64 to just 32 passengers who will be served by a crew of 34. Following in the nautical tradition of three-masted sailing ships, Le Ponant will take you on a voyage of discovery. The ship provides intimacy and convivial atmosphere and the refined life on board, the welcoming charm to your cabin, the lounges and the restaurants setting are invitations to relax. Le Ponant is one of the most majestic sailing vessels in the world. With 16 spacious cabins and suites, one crew member per passenger, a dedicated chef, and authentic and exclusive experiences to be enjoyed at every stop, designed for and with you, the ship redefines the concept of luxury yachting and promises you an extraordinary experience. In addition to its tasteful and refined design by Jean-Philippe Nuel, it has many innovative and

environmentally friendly amenities. Conserving the environment is one of our priorities. We have therefore chosen to invest in innovations and equipment at the cutting edge of technology, with the aim of achieving the highest standards possible in the sector. Le Ponant is the only yacht in the world with a hybrid propulsion system. This uniquely designed three-masted schooner can rely solely on its sails but also can connect to the electricity network in certain ports to limit its ecological impact. On board, we have banned the use of plastic in straws, laundry bags, cups and individual food portion packaging. Packaging is collected from our warehouses. Unavoidable plastic waste is sorted and entrusted to resource-recovery companies, who monitor its traceability until its elimination. Le Ponant is equipped with a complete desalination and wastewater treatment system. This biodegradation process works without the use of chemicals. It provides clean water and meets the highest quality standards. On board, 60% of packaging is recycled, while the rate elsewhere in the world is only 20%. The rest is 100% traced. We have on-board compactors adapted to each type of waste and are working to optimise their management on land. Under full sail, gliding over the sea with the wind, you will fall under Le Ponant's spell. Please click the following links to read more about Ponant and the other Ponant
