

COSTA RICA AND THE PANAMA CANAL

Come find the natural and man-made wonders on this exotic voyage full of bucket list places and activities. Learn about the rare flora and fauna of Central America from a local Naturalist on board, then take a Zodiac ashore and find rare experiences for yourself. Hike through Manuel Antonio National Park in search of its lovely beaches and abundant animal life. Soar high above the Quepos jungle floor as you zip line searching for such wildlife residents as monkeys, sloths and toucans. Then explore Golfo Dulce with some of the most intense rainforest landscapes in the world. Take a daylight transit through the massive Panama Canal, one of the world's most stunning feats of engineering on a yacht that lets you see it all. This itinerary features wet landings via Zodiac to get you closer to remote, untouched shores, where you'll step directly into shallow water upon arrival.

ITINERARY

Day 1 - Puerto Caldera

Located on the Gulf of Nicoya, the small town of Puerto Caldera is one of Costa Rica's top attractions, perfect for travelers who like more off the beaten path destinations where the native Tico lifestyle can be experienced. It is the gateway to San Jose, Jaco and the big city of Puntarenas, plus Los Suenos and Tortuga Island. Carara National Park is nearby, the rainforest home to crocodiles, over 400 species of birds and is considered the most likely place to see scarlet macaws.

Day 2 - Quepos

The former banana-exporting town of Quepos is your basecamp for a day of rainforest adventure. Take a walk along trails that weave up to waterfalls, or ride horseback to a beautiful jungle pool. A float trip through a mangrove swamp populated by

monkeys, crocodiles, egrets, and herons is also available. Or you may choose a nature walk through Manuel Antonio National Park, with its lovely beaches, easy trails, and abundant animal life.

Day 3 - Golfo Dulce

Picture Jurassic foliage growing down steep hillsides all the way to the waterline, the hoots of monkeys echoing through trees choked by orchids. Golfo Dulce is one of Costa Rica's most biodiverse areas, where both the jungle and the sea brim with life. Explore the canals by kayak in search of javelinas, butterflies, and more bird species than in all of North America. This port is accessed via a wet landing, where guests arrive by Zodiac and step directly into shallow water ashore.

Day 4 - Isla Parida

Located within a Nature Preserve of 50 islands, and part of Chiriqui Marine National Park lovely Isla Parida boasts magnificent beaches, one of which is over 1,300 feet long. The crystal clear waters stay at 82 degrees year round and are filled with marine life. There are numerous hardwood trees like teak, mahogany, and eucalyptus, and fruit trees like mango, banana and coconut trees. Here you will be treated to a beach party on a secluded beach that faces the Pacific Ocean. This port is accessed via a wet landing, where guests arrive by Zodiac and step directly into shallow water ashore.

Day 5 - At Sea

Day 6 - Balboa/Fuerte Amador

One of the entrances to the Panama Canal on the Pacific side, Balboa/Fuerte Amador was founded in 1519 and is a short distance from Panama City. In 2012 Balboa was ranked #1 in Latin America in the category of world's busiest container ports. Sightseeing highlights include the colonial homes, the Administration Building, the Goethals Memorial, the Prado, and the local handicraft markets of traditional Panamanian crafts.

Day 7 - Panama Canal

At nearly 48 miles long, on your transit through the Panama Canal you will enter three sets of locks that raise and lower the vessel 85 feet between the calm Pacific Ocean and the shimmering waters of the Atlantic. Your voyage features a daylight hours transit with numerous observation vantage points for outside viewing and comfortable indoor air-conditioned lounges. Expert onboard commentary enhances your journey as you watch the day to day workings of this bucket list experience.

Day 8 - Colon

Explore the inner workings of the Panama Canal, head into the jungle to meet with Embera Indians, or take an aerial tram ride through the rainforest canopy.
