

CROATIA ISLAND HOPPING CRUISE FROM DUBROVNIK TO SPLIT

A Croatian Island hopping cruise from Dubrovnik on a small ship is a great-value way to enjoy the comforts of life on board of a modern motor cruise ship that has its own individual charm. This cruise will reveal the beauty of the Croatian islands and thousand-year-old cities with their rich history, along with our lifestyle and heritage that we want to hand down to future generations. The carefully prepared itinerary will give you enough time to experience historical sites as well as to undertake your own explorations of ancient towns located on the South Dalmatian islands and the mainland, leaving you enough time to relax and go for a swim. These are very relaxed cruises with just 4-5 hours cruising most days. We spend the evenings and nights in port and you are free to explore the wealth of small restaurants and cafes that line these small historic ports and harbours.

ITINERARY

Day 1 / Saturday: Dubrovnik

Your ship will be docked in Dubrovnik's Gruz Harbour and embarkation is possible throughout the whole day. Passengers arriving in the morning will not be able to enter their cabins before 14:00 but can leave luggage on board. In the case that your ship is not in the port until evening we will take care of your luggage and organize excursion for you. At 19:00 we'll have a welcome meeting where Cruise manager will introduce you to the crew and your fellow passengers. Welcome dinner will be served at 19:30. Captain will wait for all passengers arriving late at night, but we must be notified in advance. All late arriving guests will be provided with a dinner. Overnight in Dubrovnik, (D)

Day 2 / Sunday: Dubrovnik – Slano

After breakfast, our English-speaking guide and a small coach will come to the pier. We'll visit the historical centre of Dubrovnik, the famous city enlisted as UNESCO World Heritage Site, where our guide will show you the most interesting sights of Dubrovnik. After the city tour, you'll be left on your own to explore and enjoy this city, known around the world as The Pearl of Adriatic.

We'll have a transfer back to the ship. Lunch will be served on board en route to Slano, located on the mainland with swim stop on the way. Slano is one of the most picturesque places on the Dubrovnik Riviera, with a beautiful beach, dense pine forest and olive groves, a long cultural tradition and numerous historical monuments.

For all who are interested we will organize optional excursion to Ston, fortified town famous for 5-kilometre-long walls, old saltwork and oysters/mussel's farm. Reservations and payment on the spot. Overnight in Slano, (B, L)

Day 3 / Monday: Slano – Mljet National Park – Korcula

This morning, we`ll cruise to Mljet where you'll be free to explore National Park (entrance fees are not included), to walk around the Great and Small Lake, visit The Islet of St. Mary with its Benedictine Monastery dating from the 12th century, rent a bike or a canoe, or evetake a swim in the heart of this pristine National Park.

Lunch will be served on board as we continue our cruise toward the Island of Korcula, where we shall arrive in the afternoon, docking in the Town of Korcula. This historic town is known as the birthplace of Marko Polo, one of the most famous world explorers of all times.

Our English-speaking guide offers a Korcula walking tour and guide us through the town's charming narrow and cobbled streets. You'll have the rest of the evening free to enjoy dining at one of the local restaurants of your choice. Overnight in Korcula Historical Town, (B, L)

Day 4 / Tuesday: Korcula – Vis

In the morning we'll cruise to the Island of Vis, with lunch on board and a swim stop en route. Arrival to Vis is scheduled for the afternoon. Compared to other Adriatic islands, Vis is rather unique. Being an important strategic military stronghold for centuries, Vis was spared the excessive tourist development and thus retained its unspoilt beaches, ecological agriculture and traditional architecture.

Enjoy the afternoon, exploring the town of Vis, its picturesque stone streets, pristine beaches and fine taverns. For all who are interested we will organize optional Vis Island excursion, ending in Komiza, stunning fishermen's village to have dinner in one of cosy restaurants. Reservations and payment on the spot. Overnight in Vis Town, (B, L)

Day 5 / Wednesday: Vis – Bisevo Blue Cave – Hvar

We'll start our day with a morning cruise towards Island of Bisevo and its Blue Cave. Originally, the entrance to Blue Cave was located below sea level, which required visitors to dive deeply in order to resurface into the cave's mysterious blue depths. Now we enter the cave in a small boat through a small entrance. However, if the sea is choppy we cannot enter the Blue Cave, which is something we shall not know before the morning designated for our visit. For this reason, entrance fees

are paid on the spot.

After a swim stop and lunch on board, we'll continue cruising along many idyllic coves and bays towards Hvar, the sunniest Croatian island. Hvar is one of the most popular and attractive Croatian tourist destinations and a meeting point of the international jet set. Upon our afternoon arrival at Hvar, a local English-speaking guide will walk you through the town, introducing you to the island's way of life, its rich history and culture. Afterwards, you'll be free to enjoy your evening in Hvar, to explore on your own and dine in one of its numerous family-owned restaurants or taverns. Overnight in Hvar Historical Town, (B, L)

Day 6 / Thursday: Hvar – Bol – Pucisca

We'll start our day with a morning departure towards Bol. Bol is famous for having one of the finest European beaches, called Zlatni Rat (Golden Cape). As we stop in Bol, you can relax in this charming Dalmatian town. Have a walk, a cup of coffee or a swim, until lunch is served on board.

After lunch we'll continue cruising towards Pucisca, with refreshing swim stops en route and lunch served on board. Pucisca is the biggest village on the island of Brac. Nowhere in the system of towns and villages in Dalmatia does terrain play such a compelling role as in Pucisca. Its spectacular irregularity of steep-sided natural harbour, authentic Mediterranean architecture and rustic ambience are simply unforgettable.

Pucisca is also home to the only Croatian Stonemasonry school. Its students carve sculptures from Brac limestone, applying traditional and unconventional tools that have been used here for centuries. We shall spend a night in this very quiet town. Enjoy the nightfall, as it unifies the distinct features of Pucisca that have intrigued us so much in daylight. This evening, we will have Captain's dinner on board. Overnight in Pucisca, (B, L, Captain's dinner)

Day 7 / Friday: Pucisca – Split – Omis

Morning departure towards Omiš, with a swim stop en-route. Upon arrival, a transfer to Split will be arranged for 11:00 am. In Split, we enjoy a walking tour of Diocletian's Palace with it's fascinating narrow streets and ancient buildings. Split boasts 1700 years of history and is inscribed on the UNESCO World Heritage Site List. Following the guided tour, enjoy some free time to explore Split at your own pace.
At 16:30, we will arrange a coach transfer back to Omiš. Upon returning to Omiš, we will have a farewell dinner onboard at 18:00.
Overnight in Omiš. (B,L)

Day 8 / Saturday: Split

After breakfast, we take a complimentary transfer from Omiš to Split bus station, located next to the harbour. Arrival is scheduled for approx 10.30am, marking the end of the cruise and time to say farewell to your new friends. (B)
