Today arrive in Korula, Marco Polo's birthplace, where you will stroll along medieval streets flanked with palaces. Then head from the coast to one of Croatia's main islands, fascinating Vis. The island was used as a military base for the Yugoslav army and only opened up to tourism in 1989. This long isolation and lack of development is the island's main attraction, ensuring it is filled with untouched beauty. Enjoy dinner on board as your ship moors overnight. You also have the option to experience life like the locals and visit a lively cafe or tavern onshore after your meal.

Day 4 Vis, Hvar

Today depart from Vis and sail to Hvar, and take a short coach ride across the island to the stunning Old Town of Hvar for a guided walk. Start in the iconic main square, the largest piazza in Dalmatia, then see the cathedral and the Franciscan Monastery. Continue to the Benedictine Nunnery, where we hear about the aloe lace still produced by the nuns. Return to the ship for lunch and spend the afternoon in Hvar. Perhaps take an after-dinner stroll through the town, and visit a tavern or a cafe.

Day 5 Šibenik, Krka National Park

Sail to Šibenik and then head to beautiful Krka National Park. Here, explore the dramatic waterfalls, where the highlight is Skradinski buk, a large natural pool with high waterfalls at one end and countless cascades at the other as the rushing river forces its way through a barrier of tiny islets. Take a walk along wooden jetties and bridges to admire the falls, and the unique flora and fauna.
