

CRUISE FROM DUBROVNIK TO SIBENIK IN LUXURY

A classic Croatia cruise along the Adriatic Coast of Croatia. Starting in the magical city of Dubrovnik we will explore the coast and islands on our 'floating boutique hotel'. We will try some of the finest cuisine, starting with the seafood and local wines in Ston before heading to Mljet National Park, and St Mary's Monastery set on an island on a lake on an island. We stop in Korcula - a beautiful walled town and birthplace of Marco Polo before visiting the outlying and less visited island of Vis, closed to the public until 1989, and the shooting location For Mamma Mia 2! We visit the Blue Cave before heading to the UNESCO protected Stari Grad Plain on the island of Hvar where we dine at the Hora farmstead with a tasty Peka dinner. We spend most morning's cruising and stopping in small bays for a swim, and most afternoon's are left for exploring our destination and the evenings for exploring the restaurants and cafes of these lovely ports and towns.

ITINERARY

DAY 1: WELCOME TO DUBROVNIK!

Welcome to Dubrovnik, the "Pearl of the Adriatic". Upon arrival at the airport, you will be greeted by our representative and they will get you settled aboard your transfer and you'll be on your way to Dubrovnik's Gruz harbour. Once you reach the harbour, you will be able to check in. Cabins will be ready for you from 2 p.m. However, if arriving early, you'll be able to safely deposit your luggage aboard the ship. You are free to enjoy Dubrovnik until the evening, when we will serve the Welcome Dinner aboard the ship and your cruise manager will introduce you to the entire crew. Overnight in Dubrovnik. (WD)

DAY 2: DUBROVNIK – SLANO

After breakfast, we will visit the old town of Dubrovnik, where a local guide will take you on a sightseeing tour of the UNESCO protected old town, acquainting you with the most important

monuments and hidden spots. After returning to the ship, we set sail for Slano, a picturesque town in a deep cove a few hours sailing to the north of Dubrovnik. After lunch on board and a swim stop we will arrive in Slano. Upon arrival, we will embark on our gastronomic adventure in Ston, well known for its extensive Medieval walls and long tradition of oyster farming, spanning over two thousand years. A short boat ride to the oyster farm in the middle of the bay and with a glass of wine in hand we'll be tasting this natural aphrodisiac straight from the sea. Talk about a gourmet's dream! We arrive back to Slano later in the afternoon and the remainder of the day is yours to enjoy. Your cruise manager will be on hand to assist with info about local sights and will have some suggestions for nice dinner spots. Overnight in Slano. (B, L, T)

Note: The oyster tasting is not included when travelling on**Azzuro**.

DAY 3: SLANO - MLJET

Early in the morning, we depart for Mljet, one of the most beautiful and the most densely forested islands of the Adriatic. Isolated and untouched, the island is known for its mysticism, olive groves, vineyards, and rich forests. Take in the rich flora and fauna, and peacefully enjoy the pristine beauty of natural surroundings. After lunch on board and a swim stop along the way, we arrive in the town of Pomena (population: 52!). Upon arrival in Pomena, a visit to a national park encompassing most of the island is planned. The park's highlights are the two saltwater lakes - the Little Lake and the Big Lake with its Benedictine monastery on the Isle of St. Mary. This evening you are invited to the Captain's dinner aboard the ship. Overnight in Pomena. (B, L, CD)

DAY 4: MLJET - KORCULA

We depart for the island of Korcula during breakfast, making sure to stop for a swim in one of the many secluded bays along the way. Lunch will be served on board. In the afternoon we arrive to Korcula, the birthplace of the famous explorer Marco Polo. Our local guide will take you on a unique tour of the old town of Korcula.
