

## OCEAN VOYAGE: HOBART - LYTTTELTON IN LUXURY

From sea to sea, or from continent to continent, PONANT welcomes you aboard its ships for a Sea Journey. A few times a year we invite sea lovers, dreamers, and keen observers of endless horizons to join our non-stop journeys, to enjoy the comfort of our ships for an extended period and share the daily lives of our crew.

### ITINERARY

Day 1 HOBART, TASMANIA

Hobart occupies a wonderful location at the mouth of the Derwent River, overseen by majestic Mt Wellington and surrounded by natural bushland. The Tasmanian capital is Australia's second-oldest city, after Sydney, and the picturesque waterfront is bordered by 19th-century warehouses and colonial mansions. Salamanca Place is packed with shops, galleries and restaurants and the fascinating Museum of Old and New Art

(MONA) is a short ferry ride from the quay. Hobart is within easy reach of some of Tasmania's best-known destinations, from historic Port Arthur and the rugged Tasman Peninsula to Bruny Island, the Huon and Derwent Valleys and Mount Field National Park.

Days 2 - 5 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 6 LYTTELTON

On the eastern coast of New Zealand's South Island, Lyttelton (or Te Whaka Raupo in the Maori language) served, thanks to its proximity with Ross Island, as the starting point for the British

expeditions in the mythical age of the South Pole explorations. It takes its name from George Lyttelton (1709-1773), aristocrat and colonial governor of South Carolina. In this colourful port town full of history, you'll be able to discover the Time Ball: constructed in 1876, it rang at 1.00 pm every day for 58 consecutive years to give Greenwich meridian time, enabling ship captains to set their chronometer and very precisely calculate their position.

Please note:

Itineraries are subject to change.
