

DANUBE DELTA WILDLIFE CRUISE

Daily motorboat excursions on the interior lakes -- Nebunu, B cl ne ti, Bogdaproste, Trei Iezere, Furtuna Letea Forest -- oak woodland on sand dunes, Europe's northernmost subtropical forest, with wild horses Mila 23 and Letea -- two villages still living from fishing and the water Optional sunrise excursion on Lake Cote e on the last morning Five days aboard a 4-star floating hotel, in the northern and central Danube Delta -- the part of the reserve with the richest mosaic of channels, lakes and reedbeds. You board in Tulcea in the afternoon and wake up already on the water; from then on every day combines a motorboat excursion on the small channels and lakes with slow cruising on the big arms of the Danube. The route passes the Sireasa- ontea lake complex, Canal Magearu with its water lily fields, the village and forest of Letea with its wild horses, the fishing village of Mila 23 and the lakes around Furtuna, and ends with an optional sunrise excursion before breakfast on the way back to Tulcea. Wildlife The lakes and channels on this route regularly deliver Great White Pelican, Pygmy Cormorant, White-tailed Eagle, Black-crowned Night Heron, Squacco Heron, Purple Heron, Glossy Ibis, Ferruginous Duck, Whiskered Tern and many more species; Dalmatian Pelican is seen on some cruises. Spring departures feature breeding activity; late summer and autumn bring migration.

ITINERARY

Day 1. Boarding in Tulcea

Arrival in Tulcea in the afternoon. Board the floating hotel at Incinta Tulco harbour, at the end of the Tulcea waterfront. Welcome dinner on board while moored in Tulcea -- time to settle into your cabin, meet the guide and go through the programme.

Day 2. Mila 36 Canal – Sireasa – ontea – Canal Magearu

After breakfast (8:00 AM) we depart toward Cri an. At Mila 36 canal we transfer to the motorboat for approximately five hours of exploration through prime birdwatching territory: Mila 36,

Sireasa, ontea, Lake Nebunu, B cl ne ti, Canal 22, Gorgova. We rejoin the floating hotel at Gorgova for lunch and continue along the Sulina branch to Canal Magearu for the overnight mooring.

Day 3 Letea Village & Forest — Bogdaproste Lake — Mila 23

After breakfast (8:00 AM) we head toward the legendary village of Letea by motorboat -- two hours exploring Canal Magearu with its floating peat islands and vast water lily fields. After visiting the village, we travel to Letea Forest in 4x4 vehicles driven by locals: ancient oak woodland on maritime sand dunes, Europe's northernmost subtropical forest, where wild horses roam freely. Afternoon motorboat exploration of lakes Bogdaproste, Amiaz , C z nel and Trei Iezere. Evening mooring near Mila 23.

Day 4 Delta Lakes — Furtuna — Canal 36

After breakfast we explore lakes Lopatna, Ligheanca, B cl ne ti and Lake Furtuna -- areas with spectacular concentrations of waterbirds and unforgettable landscapes. Lunch on the floating hotel, then we sail together toward Canal 36 for the overnight mooring. The afternoon is ideal for relaxing on the sun deck and observation terrace.

Day 5 Sunrise Excursion — Return to Tulcea

Optional early morning boat excursion (5:00 -- 6:00 AM) to Lake Cote e -- magical in early light, with herons and egrets rising from the reedbeds. Return to the floating hotel for breakfast while cruising back toward Tulcea. Disembarkation at Incinta Tulco around 10:00 AM.

PASSENGER CAPACITY:

BUILT/REFURBISHED:

Our floating hotel reaches remote channels in the Danube Delta inaccessible to larger vessels. We anchor where day boats never go. It's genuinely a hotel on water -- 4-star classified, with 10 private double cabins each having their own en-suite bathroom (shower + WC). The main salon has full restaurant service. It's significantly more comfortable than most barge-style river boats. Panoramic Salon The main dining and social area. Large windows for excellent visibility while the boat is moving. This is where meals, briefings and evening relaxation happen. Cabins 10 double cabins with private en-suite bathroom (shower + WC). Compact but comfortable -- mosquito-screened windows, adequate storage. All cabins have natural light. Two Terraces A covered terrace at salon level for shade, and an open upper sun deck -- the best spot for wildlife spotting and photography while navigating. Full Board Every meal prepared on board -- traditional Romanian recipes, fresh fish, vegetarian options. No restaurant hunting in the delta. ### Expert Guide Onboard Your naturalist guide lives on the ship. Questions answered at dinner or during the daytime excursions. Excursions Our dedicated excursion motorboat carries the whole group. Flat deck with comfortable seats, onboard toilet -- a major advantage over small rowing boats. Stable enough to move

around freely.
