DIVINE CYCLADES - 8 DAYS, 11 ISLANDS - GREEK ISLANDS CRUISE

Cruise on a truly boutique ship with just 25 cabins. The beauty of many of the Greek ports and islands can only be appreciated and accessed on a small ship, and we will take you to 11 different islands in a week. Santorini and Mykonos are well known, but we will also visit some of the lesser known Cyclades Islands, Milos, Ios, Kimolos, Serifos, Kythnos, Koufonisia and Delos. We will visit ancient ruins, (Poseidon's Temple), white washed villages, remote beaches and small cafes. You will have the chance to swim, paddle and yoga with the sunrise. The food on board and ashore is wonderful; fresh, local, ample and very tasty. While you may choose a rigorous volcano hike in Santorini, your fellow passenger might prefer a massage at our indulging spa. While you may join a Greek cooking experience at a local farm, another might prefer a yoga session on our wellness deck. You may start your day kayaking or water skiing and end it with a chilled sunset cocktail at the Thalassa bar. No cruise can ever be the same, no matter how many times you join us. There is no right or wrong combination, it's all a matter of personal choice and what your heart desires at the time. And we give you that choice. Our Cruise Director and our resident Wellness Coach will be happy to help you put together your own perfect plan. The Cyclades are about breathtaking light. And true blue. Myth has it that the Cyclades were born out of Poseidon's rage. Once nymphs, they infuriated the God of the Seas, who transformed them into islands. But not just any islands. Perhaps the most beautiful islands in the world. Fringed with pristine beaches and crystal-clear waters. Dotted with white-washed architecture. Exciting yet at the same time evoking a sense of tranquillity, as if time stood still through the aeons. Each island

beautiful in its own remarkable way. Imagine a place so divine your heart might burst with emotion, a place so unique it's secrets and voice linger through centuries of history. This is the stuff of dreams and it awaits you to

discover it.
