BUILT/REFURBISHED:

The Spirit of Chartwell was chosen from hundreds of candidates by the British Royal Family to be the royal vessel during the celebrations of Queen Elizabeth II's Diamond Jubilee celebrations. The rich interiors of the ship, whose unique and distinctive design was inspired by the famous Orient Express luxury train, testify to why it was selected for this incredibly special occasion. After these high-profile celebrations, the Spirit of Chartwell found its new home on the River Douro in September 2012. The ship has been restored and redecorated while preserving various decorative details originally chosen by the royal family. With just 14 double cabins and a royal suite, the Spirit of Chartwell resembles a private club, where passengers can enjoy each other's company in a relaxed and luxurious setting on the Douro River. Ideal for events for groups of friends, families, or companies. Food and wine Enjoy an exceptional dining experience aboard the Spirit of Chartwell, where every meal is a celebration of the authentic flavours of Portuguese culture. Savour carefully selected fine wines from the most prestigious wineries in the Douro region while admiring the breathtaking views of the Douro River.
