Sea Cloud is a ship with a soul, imbued by the original owners, Marjorie Merriweather Post and her husband E.F. Hutton in the 1930's. The ship has played host to royalty, known service in wartime, and sailed the world over. She is a vessel of incomparable grace that harks back to the golden age of ship travel. Once you've been on Sea Cloud under full sail, you'll begin your own love affair. Welcome aboard a legend Sea Cloud accommodates 58 guests in 28 outside cabins including two original owner's suites that still feature original marble baths and fireplaces. At 360 feet she is an expansive ship with extensive public spaces on the top deck, where we luxuriate in deck chairs and watch the crew of 18 go aloft in the web of riggings to hand-set her 30 sails. Her dining room is hung with marine oil paintings of the period and accommodates all guests at once for a single seating. We'll gather in the lounge each evening for Recap. Life aboard is a uniquely pleasing mix of elegance and informality--a return to the golden age of sailing in shorts and deck shoes. You'll find all shipboard services impeccable. Discover the romance of tall ship sailing Experience something many people don't know exists in the 21st century--the romance of life under square sails. Discover the

thrill of standing on deck as Sea Cloud gently glides through the water, her crew aloft in the riggings, running out and reefing sails. Settle in to your favorite areas on the top deck and bask in the incomparable experience of traveling aboard the finest tall ship to ever sail the seas. Lose yourself in an adventure that, in this day and age, is almost
