ITINERARY

Day 1 DUBROVNIK (D)

Check-in from 14:00 onwards in Gruz Harbour. After settling into your cabin, enjoy time to discover Dubrovnik, one of the Adriatic's most remarkable historic cities. Encircled by impressive medieval walls, the UNESCO-listed Old Town reveals a rich architectural heritage shaped by the former Dubrovnik Republic, with elegant Renaissance and Gothic landmarks, atmospheric stone streets and the famous Stradun promenade. Spend the evening exploring at your own pace, perhaps walking along the city walls or enjoying a drink in one of the Old Town's many cafes and bars. Dinner on board and overnight in Dubrovnik.

Day 2 DUBROVNIK – MLJET (B, L)

After breakfast, cruise towards Mljet National Park (entrance fee payable locally), one of Croatia's most beautiful and tranquil island landscapes. Enjoy lunch on board before spending the afternoon exploring the park at your own pace. Discover its two saltwater lakes, follow the scenic walking and cycling trails, or

take a boat across the Great Lake to the small island of St Mary, home to a historic Benedictine monastery and church. There will also be time to swim and simply enjoy the peaceful natural surroundings. Overnight in Pomena.

Day 3 MLJET - HVAR (B, L)

Morning departure towards the small island of Scedro, located just off the southern coast of Hvar. Enjoy time to swim and relax in the crystal-clear Adriatic before lunch on board and the cruise towards Hvar Town. Known for its sunny climate, elegant Venetian architecture and lively waterfront, Hvar combines centuries of history with a vibrant Mediterranean atmosphere. Highlights include St Stephen's Cathedral, the historic Arsenal and one of Europe's oldest public theatres, founded in 1612. Guests will enjoy an included guided walking tour of Hvar Town. Afterwards, spend the evening at leisure exploring the town's restaurants, cafes and bars. Overnight in Hvar.

Day 4 HVAR – VIS/ KOMIZA (B, L)

Early morning departure towards the island of Vis, whose strategic position kept it largely closed to foreign visitors for decades while it served as an important naval base. This relative isolation helped preserve the island's authentic character, traditional architecture and relaxed Mediterranean atmosphere. After a swim stop and lunch on board, continue towards Vis Town. Founded near the site of ancient Issa, a Greek settlement dating back to the 4th century BC, the town offers fascinating traces of its long history. Spend the afternoon at leisure exploring the waterfront, visiting the Archaeological Museum and remains of the Roman baths, or simply enjoying the distinctive atmosphere of this beautiful island town.
