enjoy the salt lakes in the National Park and enjoy the sun and sea on this peaceful island. In the middle of the large lake, inside Mljet National Park, you can visit the old abbey and church, or just use a small boat to roam around the National Park. Bicycles can also be hired to cycle around the paths that surround the lakes. We continue to Korula where we arrive in late afternoon. Surrounded by ancient walls and fortified bastions, Korula's old town is very well preserved with its layout and structure dating back to 13th century. Overnight in port.

Day 3: KORULA - VIS

Early departure to cruise to Little Biševo Island to visit the Blue Cave, a magnificent natural phenomenon. Our visit will depend on weather conditions. Continue towards the Vis Island, which was closed to the public until recently as it a strategic naval harbour due to its unique geographical position. Because of this isolation, Vis has a special charm of 'the Mediterranean as it once was' which makes it really interesting to see. Overnight in the town of Vis near the remains of the ancient Issa, first urban centre in Croatia. If interested, visit the remains of the Roman thermal palace & city museum or simply take a walk enjoying the views of the beautiful villae rusticae situated along the waterfront.

Day 4: VIS - HVAR

Our next destination is the little Šibenik Island where we will have enough time to relax and refresh in the clean, crystal blue sea. We depart for Hvar after lunch. Hvar is the longest island in the Adriatic. Here we can find the Renaissance cathedral with its

original tower; also the oldest community theatre in Europe was founded here in 1612. Hvar, - the 'sunshine and jet-set island' - offers plenty of restaurants, bars and cafes that are open long into the night.

Day 5: HVAR - BOL - MAKARSKA

Leave Hvar and continue our cruise towards the island of Bra, or more precisely to the town of Bol, best known for its famous Zlatni Rat beach (The Golden horn), a natural phenomenon. After a swimming break or short walk around the village we continue towards Makarska where strolling along the streets, you will come across numerous churches and other architectural and cultural sites. Overnight in port.

Day 6: MAKARSKA - PUŠĆA - OMIŠ

Early in the morning we continue our cruise towards Pušća situated on the northern side of the Bra Island. There is a possibility of visiting a stone-masonry workshop, one of the few stone masonry workshops left in Europe. We continue to Omiš, a picturesque town surrounded with steep rocky mountain cliffs, where the river Cetina flows into the Adriatic sea, ideal for river rafting on the streams of the Cetina River. Overnight in port.

Day 7: OMIŠ - SPLIT

Departure for Split, a UNESCO World Heritage city, famous for its old city centre, the 1700 year old Diocletian's Palace. Upon arrival we recommend to join our guided tour of Split with an
