The cruise continues towards the island of Vis, which has a unique geographical position and was once a strategic harbour for the Yugoslav navy - it was closed to the public until recently. Because of this very isolation, Vis retained a special charm of 'the Mediterranean as it once was' which makes it really interesting to see. Overnight in the town of Vis,

situated on the northern side of the island, developed near the remains of ancient Issa, the first urban centre in Croatia. If interested, visit the remains of the Roman thermal place and city museum or simply take a walk enjoying the views of the beautiful villae rusticae situated along the waterfront. For those wandering to see more - rent a car or scooter and explore this wonderful island on your own.

Day 4: VIS - HVAR (B, L)

The next destination is the tiny island of Š edro near the island of Hvar. Upon arrival, time to relax and refresh in the clean, crystal-blue sea. Departure towards Hvar after lunch, the longest island in the Adriatic. Visit the magnificent Renaissance cathedral with its original tower and the oldest community theatre in Europe which was founded here in 1612. Hvar offers plenty of restaurants, bars cafes and clubs, open long into the night. Overnight in the Hvar harbour.

Day 5: HVAR - BOL - MAKARSKA (B, L)

Leave Hvar behind and continue cruising towards the island of Bra , heading to the town of Bol, best known for its famous Zlatni rat beach (Golden Horn), a natural phenomenon that with its distinct shape and form dominates other beaches of Croatia. Directional winds and waves cause the shape of the beach to often change. After the swimming break at the horn, cruise towards Makarska with its Mediterranean feel. During a stroll, discover numerous churches and other architectural and cultural sites. Overnight in port.
