DUBROVNIK TO SPLIT VIA LASTOVO

This is a marvellous one way trip from Dubrovnik and ending in Split. Imagine yourself sat on the sun deck enjoying the view of the Croatia Islands, swimming every day in the clear blue sea in secluded bays. We usually arrive at our destination for the day sometime early to mid-afternoon, allowing plenty of time for exploring ashore, and in the evenings you are free to sample one of the many restaurants and cafes that line the beautiful ports where we spend our evenings. This itinerary starts in Dubrovnik and visits the wonderful national park of Mljet, where you can swim, hike, canoe or take a boat trip to St Mary's Monastery, set on an island on the lake on the island! Head onto Korcula, the birth place of Marco Polo, and the less visited beautiful island of Lastovo where time stops. Along with Mljet, Lastovo is one of the most forested islands in Croatia. We will then cruise to Vis where we hope to visit the Blue Cave at nearby Bisevo, (weather permitting, which it usually does) before visiting wonderful Hvar. Finally we cruise to Split, dominated by the remains of Emperor Diocletian's Palace.
