DUBROVNIK TO VENICE IN LUXURY

Explore unusual and less visited towns and harbours as well as the great cities of the Adriatic; charming fishermen's villages, unique National Parks, picturesque coves for swimming, and bustling port towns while sampling local Mediterranean cuisine. Our vessel carries a maximum of just 40 people but at 48 metres long she is one of the largest vessels allowed into many of the small ports and harbours along this coastline. We will stop for a swim somewhere en route every day and on most evenings we are free to explore the restaurants of the towns we spend our evenings in. Dubrovnik's old town is an extraordinary maze of medieval streets surrounded by a 3 kilometre long city wall. 7-night cruise from Dubrovnik to Trogir in a cabin with private facilities, and 3 nights in first class hotels. Upon arrival, shared transfer from Dubrovnik airport to port, welcome cruise dinner, daily breakfast, six lunches and a Captain's dinner with live music.

ITINERARY

Early in the morning enjoy the magic scenery as the ship cruises around Dubrovnik city walls to continue to one of the Elaphiti islands for a swim stop. Afternoon arrival in Slano, a peaceful fishermen's village and our starting point to Ston, situated on Peljesac peninsula and once fortified small village famous for its oysters. Peljesac peninsula is known as one of the best wine-producing regions in Croatia. After exploring the town, we leave to a small nearby village to enjoy the authentic local oyster tasting. Overnight and Captain's dinner on board in Slano. (B,L,T,CD)

Day 3: Slano – Mljet National Park – Kor ulla

In the morning we head north to the Island of Mljet. Join the Cruise Manager for a stroll to the famous salt lakes in the Mljet National Park. Continue our cruise towards the Kor ulla island, best known as the birthplace of Marco Polo. Afternoon arrival in Kor ulla followed by a guided walking tour of this enchanting town surrounded by walls, which is one of the best-preserved medieval cities in the Mediterranean. Overnight in Kor ulla where you can enjoy a gourmet experience at the multiple restaurants and bars. (B, L)

Day 4: Kor ulla – Vis Island

Early in the morning we sail to the island of Vis once a strategic naval Yugoslav base and restricted to the public. Due to this isolation, Vis has a special charm - "the Mediterranean as it once was" making it interesting to visit. Since the independence of Croatia, the island began opening slowly to the outside world. Some of Europe's largest and greatest naval battles have taken place in the waters around Vis. Vis Island holds many historic secrets and you can explore Vis history on your own by military Land Rover Defenders. Overnight in one of the harbors on the island of Vis.

Note: Due to limited capacity at Vis Harbour (during peak season), the port of call may be substituted with one of the nearby harbours.

Day 5: Vis Island - Biševo - Hvar Island

Early in the morning we sail to the small island Biševo to visit the Blue Cave, a magnificent natural phenomenon. The possibility of our visit will depend on weather conditions; however, you will be notified of this on time. Afterwards continue towards the island of Hvar, the longest and sunniest island in the Adriatic, with a swim stop and lunch on board. Upon arrival in the early afternoon, disembark and join a tour of Hvar by Land Rover Defenders. We will drive through picturesque villages and visit Lavander Farm, stop for wine tasting and finish with Donkey Farm where we will have a lot of fun. Overnight in Stari Grad or one of the harbors on the island of Hvar.

Note: Due to limited capacity at Stari Grad Harbour (during peak season), the port of call may be substituted with one of the nearby harbours.

Day 6: Hvar Island -Bra island

Early morning we head towards Milna on the Island of Bra with a swim stop, weather permitting, in one of pristine bays, time to relax and lunch on board. After lunch we arrive in Milna still known as the most beautiful and most protected port on Bra . Explore this Dalmatian town dominated by a Baroque church with a typical Dalmatian bell tower. The interior of the church is rich in valuable paintings by Venetian painters. Overnight in Milna or one of the harbours on the island of Bra .

Day 7: Bra island - Split - Trogir

In the morning, we will head towards Trogir with a stop along the way to swim and relax, if the weather permits, with lunch on board. After docking, join a short orientation walk through this medieval city. Trogir is sometimes referred to as "miniature Venice" or a "mini-Dubrovnik" because of its ancient walls, or a "floating museum town" \- as it has a masterful architecture including some stunning Venetian palaces. In the late afternoon we will take a ride to Split where you will join a guided tour of Split with and visit the seafront promenade and Roman Emperor Diocletian's Palace. The historical center of the city is listed as a UNESCO World Heritage site. You will see the remnants of Split's Roman heritage, its Renaissance and Gothic structures, Jupiter's Temple, the Peristyle, and the Cathedral. Enjoy your free time in Split and explore the city on your own. After an exciting evening, we transfer you to the ship. Overnight in Trogir.

Note: Due to the limited capacity of the Split harbour (reconstructions related) we may sail directly to the port of Trogir. In that case transfer by bus will be organized to and from Split town for the sightseeing tour.

Day 8: Trogir - Plitvice - Opatija

After breakfast it's time to disembark and bid our crew farewell. We journey north by motorcoach for a visit to Plitvice Lakes National Park, a UNESCO World Heritage site. In Plitvice, we walk around several of the lower lakes. The Park is a natural wonder with 16 terraced lakes surrounded by wooded

mountains and lush vegetation. After our visit, we motor on to Opatija where dinner is served at our hotel. (B, D)

Day 9: Opatija - Postojna - Venice

After breakfast, we travel to Slovenia and visit the unique and beautiful Postojna Cave, one of the largest in Europe. We tour this wondrous subterranean world by miniature electric train. Afterward, we drive to Venice. You will be met and transferred to your hotel. The rest of the day is at leisure until you gather for a Welcome Dinner with your Tour Director and travelling companions. (B, D)

Day 10: Venice

We begin exploring Venice with a boat ride to Murano Island, famous for its artistic glassware. Visit a glassblowing factory, where you will watch a demonstration of traditional Venetian glassblowing by master craftsmen. Then, on to St. Mark's Square, for the walking tour, viewing the St. Mark's Basilica and the Doge's Palace, and enjoying views of the Bell Tower and Bridge of Sighs. The balance of the day is at leisure to enjoy Venice at your own pace, shop, or join an optional gondola ride.(B)

Day 11: Venice - departure

Breakfast in your hotel. (B)
