Finally, explore the World Cultural Heritage city of Oviedo, immersing yourself in its picturesque old town and ancient Romanesque churches, offering a glimpse into Asturian history and culture. This remarkable voyage promises an enriching blend of natural wonders, cultural treasures, and seafaring charm, providing a truly unforgettable journey through proud seafaring cities, cultural hubs, and revered pilgrimage sites.

DAY 1 | LISBON/PORTUGAL

The most beautiful approach to the Portuguese capital is to travel up the River Tagus. One of the city's most famous landmarks has been greeting visitors right on the estuary since 1521 - the Torre de Belem. This is a UNESCO World Heritage Site and transports you back to the glory days when Portugal was a naval power. There are many landmarks, such as the facades of the houses decorated with azulejos tilework and the ancient trams that rattle through the city. But Lisbon has many different sides. Joie de vivre comes face to face with the melancholy of Fado music, winding lanes in the old city meet wide boulevards, while magnificent churches and austere monasteries show the two sides of former religious faith.

Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

DAY 4 | PORTO (LEIXÕES)/PORTUGAL

Arrival 08.00 am, Departure 06.00 pm Porto considers itself the country's secret capital. The narrow lanes of the historic old town "Ribeira", a UNESCO World Heritage Site, extend in terraces up the slope overlooking the Douro. The former working class district has blossomed into a beautifully restored trendy neighbourhood. A student of Gustave Eiffel created the bold design for the bridge, which stretches over the river in a wide arc and links the Ribeira with Vila Nova da Geia and its 50 port wineries that lie on the other side. The best way to reach the incredible Douro Valley and the countryside of the Alto Douro wine region, also a UNESCO World Heritage Site, is by river.

DAY 5 | VIGO/SPAIN

Arrival 08.00 am, Departure 06.00 pm

DAY 6 | DAY BENEATH FULL SAILS

Just enjoy the perfect sailing conditions with fitness, cosmetics, massage or with a good book in a teak chair.

DAY 7 | GIJÓN/SPAIN

Arrival 08.00 am, Departure 01.30 pm As an old port metropolis and capital of the Costa Verde or Green Coast, Gijon looks back on a long seafaring tradition. Especially in the quaint fishing quarter of Cimadevilla, colorful, rambling houses exude the charm of times gone by. About 18 miles away, Oviedo was once the residence of the independent kingdom of Asturias. Today, the picturesque old town is a UNESCO World Heritage Site. The best starting point for a walk along the well-kept

cobblestone streets (for instance, to the famous cider taverns) is Oviedo's cathedral with its Gothic spire of openwork stone.

DAY 8 | BILBAO/SPAIN

Arrival 08.00 am Bilbao has always been an important port and industrial city. In 1993, Bilbao was a pilgrimage destination for lovers of modern art and avant-garde architecture. The Guggenheim Museum, with its idiosyncratic and unique design by famous architect Frank O Gehry, showcases everything that is important within its 11,000 square meters (118,403 foot). Steel used to be manufactured in Bilbao and it now plays a major role here, since other renowned architects have also been inspired to give Bilbao an attractive, distinctive look. Cross the futuristic Calatrava Bridge to reach the old town, where you can take a delightful stroll round the lanes and enjoy the art of Basque cuisine.
