ITINERARY

Day 1 - Alexandria

The mythical **Alexandria** is a port city in the Nile Delta. Its rich history has always been the source of dreams for archaeologists, writers and artists around the world. Founded in 331 BC by Alexander the Great, the city was mainly known for **its library** and **its monumental lighthouse**. The library aimed to be a storehouse of universal knowledge, while the lighthouse was considered **one of the Seven Wonders of the Ancient World**. Both are now destroyed. Alexandria is also the place where began the legendary love story between Mark Antony and Cleopatra. For centuries, this city was one of the greatest cultural centres in the Mediterranean and its landmarks now provide a fascinating glimpse into its proud past.

Day 2 - At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 3 - Antalya

On the Turkish Mediterranean coast, discover the seaside resort of **Antalya**. While the city sports magnificent fine sandy beaches, it is also known for its significant historical heritage. Many vestiges bear witness to the importance of this **former Roman port** , such as Hadrian's Gate, built in the year 130 in honour of the visiting emperor. In the old town, it is possible to admire **magnificent Ottoman houses** with flowery gardens, as well as the **broken minaret** , built on the ruins of a former Byzantine church. The city's surroundings also provide an opportunity to discover major archaeological sites, such as that of the ancient city of **Aspendos** , renowned for its impressive Roman theatre.

Day 4 - Bodrum

Day 5 - Rhodes

With its particularly agreeable climate, the island of **Rhodes** invites you to walk its pathways and discover its immaculate villages and sumptuous medieval city, a UNESCO World Heritage site. At the centre of the island the mountains are covered in forest and on the western slopes we find vineyards and crops. Rhodes also owes much of its charm and its character to the **Knights of St John** who reigned over the island from 1310 to 1522 and built impressive defensive walls punctuated with majestic gateways. Do not miss this delightful island with its peaceful beaches and its large walkways, perpetuating the myth of the famous Colossus, the legendary statue that is one of the Seven Wonders of the World.

Day 6 - Santorini

The spectacular volcanic island of Santorini stands out proud in the Cyclades. Its basalt cliffs offer particularly expansive views of the Aegean. To enjoy these views, you can head for the capital, **Fira.** Its floral belvederes of bougainvillea provide a bird's-eye view of several thousand metres of coastline. Further away, the gorgeous village of **Oia** looks like a stairway of blue and white houses on the slopes of the volcano. In the south of the island, you will be able to visit the stunning ruins of **Akrotiri,** an ancient city destroyed by an eruption and covered with a thick layer of lava stone.

Day 6 - Sailing in the Santorini Caldera

Sailing in the waters of **Santorini caldera** is breathtaking. The gigantic scale of the unique setting, the majesty of the high cliffs surrounds this **ancient crater** that was flooded in 2000 years before Christ, is one of the highlights of the cruise. From your ship, the colourful whites, greys, reds of the volcanic rocks, the blue of the Aegean Sea and the immaculate perched villages form a unique and marvellous spectacle.

Day 7 - Nafplion

The engaging town of Nafplion is staggered up green hillsides of the Argolic Gulf, to the east of the Peloponnese. Do not be surprised by its extremely varied cultural heritage. Some of the must-see visits are the ancient agora on the plateau of Akronafplia, Italianate arcades in **Syntagma square** as well as the baroque fortress of **Palamidi** on a hillside of the same name. At the top of the hill, views of the gulf and the surrounding mountains are simply awesome. If you want to chill out by the water's edge, walk along the **Arvanitia promenade** to a beautiful creek in the shade of cedars and cypresses.

Day 8 - Athens

The Greek capital city is located on the edge of the Saronic gulf, in the east of the country. It bears a plural name in reference to the first villages that surround the **Acropolis.** You will be enchanted by the rocky plateau presided by its monuments listed as UNESCO World Heritage. In the city below, you can visit some of the liveliest districts in Athens: **Plaka,** with its maze of colourful streets, and where, in the evenings the drifting aroma of moussaka and garlic prawns will tickle your taste buds. The **National Archaeological museum** and the Cycladic Art Museum are also some of the city's key attractions and allow visitors to discover Athens' cultural past.
