It supports a wide range of wildlife, including tapirs, monkeys, cats, alligators, turtles and numerous bird and fish species

Day 7. Aquiqui, Amazon River

We offer an Oceanview stateroom on Vega which is specifically designed to be completely ADA compliant and have a fully operable wheelchair-access wet unit. Vega has two lifts, serving every passenger deck apart from the Stargazing top deck, which is, therefore, more difficult to access, as are the Aft Marina and Swan's Nest forward observation platform. Also, we don't have special equipment to access the swimming pool, jacuzzi, or sauna. Otherwise, the ship is entirely at your disposal. Many of the expeditions ashore in remote places are by Zodiac. Boarding these boats and returning aboard can present challenges for wheelchair users, as can navigating uneven terrain. These challenges are by no means always insurmountable, though, and our highly experienced crew is trained to provide reliable advice and assistance. They will make every effort to ensure wheelchair-using guests enjoy a memorable experience at each destination. Our general guidance, however, is to recommend wheelchair users travel with a companion for their ease and enjoyment. If you prefer to remain aboard, our panoramic interiors and ample open decks ensure an immersive, intimate experience of your inspiring

surroundings.
