EXPEDITION TO SOUTHERN LANDS - ANTARCTICA & SOUTH GEORGIA LUXURY EXPEDITION

In South Georgia and on the shores of the White Continent, follow in the footsteps of the greatest explorers during a 17-day polar expedition cruise. Jean-Baptiste Charcot, Adrien de Gerlache, Ernest Shackleton, these legendary names evoke the most prodigious adventures, which PONANT is offering you the chance to discover during an unforgettable trip. Le Lyrial will leave Ushuaia, for South Georgia. It is there, amid the snow-covered mountains, that Sir Ernest Shackleton miraculously ran aground during the famous Endurance Odyssey in 1916, before returning to rescue the rest of his crew, left behind on the remote Elephant Island. You will travel back in time to (re)discover this fabulous saga and life at this little-known time in history. You will sail on the Southern Ocean to reach the frozen shores of the nearly inaccessible White Continent, Antarctica. White shades take on a thousand nuances as it covers the icebergs, glaciers, mountains and frozen sea all around you. You will be one of the rare few travellers to have laid eyes on this legendary land, the theatre of the greatest expeditions and the witness of the most extraordinary adventures. Throughout your trip, our team of naturalist guides will share with you the secrets of these faraway lands inhabited by unique wildlife. Discover the vast territory of the penguins - Adelie, king, chinstrap, Gentoo, Magellanic, southern rockhopper - albatrosses, numerous species of seals, and majestic whales blowing on the horizon. To disembark in Ushuaia, in Tierra del Fuego, you will have to sail along Drake Passage. At the border between the Atlantic and the Pacific oceans, you will enter this mythical maritime route. The wind blows, the waves crash against the stem of the ship, and the

cape petrels keep you company overhead until the end of your

expedition.

Day 2 USHUAIA

Capital of Argentina's Tierra del Fuego province, Ushuaia is considered the gateway to the White Continent and the South Pole. Nicknamed "El fin del mundo" by the Argentinian people, this city at the end of the world nestles in the shelter of mountains surrounded by fertile plains that the wildlife seem to have chosen as the ultimate sanctuary. With its exceptional site, where the Andes plunge straight into the sea, Ushuaia is one of the most fascinating places on earth, its very name evocative of journeys to the unlikely and the inaccessible...

Days 3 - 5 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Days 6 - 8 SOUTH GEORGIA

Aboard your ship, discover South Georgia, a region formed by an underwater mountain chain that extends from the Andes to the Antarctic Peninsula. All the wildlife of the Far South can be found there: king and Gentoo penguins, elephant seals, fur seals... You might get the chance to discover the majestic glaciers of Gold Harbour and the vast plains of Fortuna Bay. If you are fortunate enough to land at Salisbury Plain, you can expect a wonderful spectacle: more than 300,000 king penguins, which you will recognise by the bright orange mark on their head and neck, have taken up residence there.

Days 9 - 10 AT SEA

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Days 11 - 15 ANTARCTIC PENINSULA

Succumb to the magic of a place unlike any other. To this day,

the mythical Antarctic Peninsula still holds real fascination and promises its visitors unforgettable moments. Throughout your adventure in this icy realm, you will find yourself in the heart of a spectacular decor in subtle shades of blue and white, surrounded by exceptional wildlife. Penguins, humpback whales, seals and giant petrels are at home here, as are elephant seals, fur seals, Antarctic minke whales, and orcas. Depending on which sites you will be lucky enough to visit, you may get the chance to observe them and share with them the beauty of these extreme parts. Each day, based on ice conditions, the Captain and the Expedition Leader will suggest zodiac outings or landings to discover the infinite riches of the Antarctic Peninsula. Glaciers, ice floe, tabletop icebergs, mountain peaks that plunge straight into the sea, volcanic beaches, research stations, enchanting bays, and vestiges of the whaling industry: these are the faces of the Antarctic that will likely reveal themselves to you, in a hushed and surreal atmosphere. You will sail in the wake of Jean-Baptiste Charcot, Adrien de Gerlache and Sir Ernest Shackleton, great Antarctic explorers who, from the 19th century, set out to conquer these remote and uninhabited lands.

Days 16 - 17 CROSSING THE DRAKE PASSAGE

If there is one place, one sea, one waterway dreaded by tourists, researchers and hardened seafarers alike, it is undoubtedly Drake Passage. Situated at the latitude of the infamous Furious Fifties winds, between Cape Horn and the South Shetland Islands, it is the shortest route to connect Antarctica to South America. Seasoned navigators will tell you that you must earn your visit to the White Continent! As the Antarctic convergence

zone where cold currents rising up from the South Pole meet warmer equatorial water masses, Drake Passage harbours a very diverse marine fauna. Don't forget to look to the sky to catch a glimpse of elegant albatross and Cape petrels, playfully floating about in the wind around your ship.

Day 18 USHUAIA

Capital of Argentina's Tierra del Fuego province, Ushuaia is considered the gateway to the White Continent and the South Pole. Nicknamed "El fin del mundo" by the Argentinian people, this city at the end of the world nestles in the shelter of mountains surrounded by fertile plains that the wildlife seem to have chosen as the ultimate sanctuary. Please Note:

We are privileged guests in these extreme lands where we are at the mercy of weather and ice conditions. Landings on certain sites and the observation of certain wildlife cannot be guaranteed. They vary from day to day, making each PONANT cruise a unique experience. The Captain and the Expedition Leader will make every effort to ensure that your experience is as rich as possible, while complying with the safety rules and instructions imposed by the IAATO.
