

EXPLORING THE AMAZON - 5 DAYS

This is a journey that takes us into the endless heart of biodiversity, which extends its fabulous prism of life throughout the Amazon Basin. The very nature of this jungle realm teaches us that the best way to explore it is through a unique means of transportation: by navigating down the river on a fabulous, state-of-the-art vessel set to explore this truly unique environment. The inspiring adventure will provide many unexpected, astonishing encounters. We will discover the Yasuní (the largest of Ecuador's continental National Parks), a wild and untamed realm in the heart of the Ecuadorian Rainforest. We will climb observation towers to enjoy unique perspectives of the forest and explore black water rivers escorted by otters and turtles. We will hike trails learning about the wonderful flora that makes up the eternal green of Ecuadorian Amazonia.

ITINERARY

DAY 1 WEDNESDAY: QUITO – COCA – NAPO RIVER

Our adventure begins in Quito, the capital of Ecuador. After a 30-minute flight from Quito to the Amazonian city of Coca, we will transfer to the dock and board our motorized canoe for a 90-minute journey down the river, taking in the Amazon, until we reach the Anakonda Amazon Cruise and receive our welcome aboard. On the Anakonda, we will be joined by expert local naturalist guides, who will provide us with a brief, informative introduction to the Ecuadorian Amazon; afterwards, guests will have the opportunity to explore our cruise ship and admire the rainforest landscape as we glide down the Napo River. After dinner, we will take a nighttime forest walk to observe the rainforest's nocturnal activity and vividly experience its biodiversity first-hand.

DAY 2 THURSDAY: THE HEART OF YASUNI NATIONAL PARK (HOME OF THE LEGENDARY PINK RIVER DOLPHIN)

Early in the morning, we will visit Yasuni National Park, a pristine region of the Ecuadorian Amazon, home to the legendary pink river dolphin. In this area, we can also find anacondas, river

turtles, and various primate species, as well as the colorful hoatzin, a unique bird known locally as the “stinky turkey”. In the afternoon, we will take a motorized canoe to a black-water lake, home to giant otters and the elusive manatee, and enjoy a pleasant hike in the riparian/gallery forest, with the chance to spot flocks of birds and marvel at the intricate organization of a colony of leaf-cutter ants.

DAY 3 FRIDAY: KICHWA FAMILY & LIFE ONBOARD

We will start the day off by visiting an authentic Kichwa family on the banks of the Napo River, where we will receive the opportunity to learn directly from members of the local community. We will then board the Anakonda for lunch as we continue upstream. Guests will participate in a cooking class with our expert chef and prepare exquisite traditional Ecuadorian. Guests are also invited to try their hand at traditional handicrafting or enjoy our onboard facilities, including the Rainforest Spa, the spectacular view from our Amazon Hot Tub, cocktails at our Bar and Lounge, and stargazing from our Observation Deck.

DAY 4 SATURDAY: FOREST ADVENTURE & OBSERVATION CANOPY TOWER

Our guests can relax and enjoy the Anakonda Amazon Cruise during the morning and disembark to explore the nearby forest and discover a myriad of animals and plant species endemic to the Amazon basin. In the afternoon, we will visit a canopy tower built against a giant kapok tree and take in the view from the top as we loom above the lush treetops and look down on the sheer vastness of the Amazon. In the evening we will take a canoe onto the river to search for black caimans by flashlight.

DAY 5 SUNDAY: RETURN

This is where our adventure ends! Enjoy the final part of our return journey, then disembark the Anakonda Amazon Cruise to take the motorized canoe 90 minutes back to Coca.
