FALKLANDS, SOUTH GEORGIA & ANTARCTICA

The sub-Antarctic Falkland Islands/Malvinas and South Georgia are home to some of the most unique and abundant wildlife on earth. With beaches covered in fur seals, elephant seals, and hundreds of thousands of penguins, it's one of the most jaw-dropping nature scenes you will ever experience. We'll also explore the fascinating history of the area, dating back to the grandiose times of the 'Heroic Age of Antarctic Exploration' of the late 1800s and early 1900s.

hotel. Attend the optional evening briefing for the opportunity to ask questions and meet some of your fellow explorers.

Day 3, Embarkation

After a final morning exploring Ushuaia or unwinding at the resort, our mid-afternoon transfer will take you to the beautiful MS Seaventure. Our Expedition Team and ship staff will greet you on board, followed by a safety and orientation briefing and Captain's welcome dinner. You're on your way to Antarctica!

Day 4, Southern Ocean

As we sail south, important briefings on environmental regulations and expedition safety are held, and you won't want to miss our experts as they begin their informative and entertaining talks about the wildlife, history, and geology of the area.

Day 5, West Falklands/Malvinas

We'll be exploring some of the westernmost settled outposts in the Falklands/Malvinas, where you can take in the beautiful countryside and look for Black-Browed albatross or Rockhopper, King, and Magellanic penguin rookeries.

Day 6, Stanley, E Falkland/Malvinas

Stanley is a lively hub of activity nestled in a sheltered harbor. Head out on foot to explore the museum, shops and services centered on the port, or look for sea lions, dolphins, and bird life along the shores.

continue, featuring topics such as the captivating history and abundant wildlife of South Georgia.

Day 9-12, South Georgia

South Georgia is often referred to as the 'Serengeti of the Southern Ocean' and it's easy to see why as you take in tens of millions of breeding penguins, seals, and seabirds. Magnificent mountain scenery, glaciers galore, icebergs, a rich historical tapestry, and an incredible array of wildlife will astound you as we travel down South Georgia's leeward coast. We'll also visit historic Grytviken whaling station, featuring the tiny graveyard where the great Antarctic explorer Sir Ernest Shackleton is buried.

Day 13-14, Scotia Sea

Heading farther south, we'll continue our informative presentations and wildlife spotting as the icebergs become bigger and more plentiful.

Day 15-18, Antarctica

Here we'll explore any number of picturesque bays and famed harbors, maneuvering through majestic channels as we travel the wildlife-rich waters. There are great opportunities to stop at several active scientific bases and historic landing sites as we spot numerous species of penguins, seals, and whales along the rugged coastlines and in the sea.

Day 19-20, Drake Passage

Time to leave this magical place inspired, exhausted, and most likely changed forever. We make our way north, once again crossing the legendary Drake Passage. We'll have one last hurrah as we celebrate the conclusion of our expedition with a special slideshow and photography awards ceremony, then a
