If you have time before boarding, you might like to explore Fethiye. You can visit the Lycian rock tombs, stroll through the old bazaar for souvenirs, or relax at one of the town's charming cafes.

In the late afternoon, we will set sail to a nearby bay where you can enjoy a refreshing swim before spending the night there.

Day 2 – Butterfly Valley - St. Nicholas Island

After breakfast, we will set off towards our first stop, Butterfly Valley, a stunning cove surrounded by cliffs and lush greenery. You can swim in the crystal-clear waters or go ashore for a hike through the valley, where, during summer, you might spot various butterfly species.

Next, we will cruise towards Oludeniz Beach, one of the most photographed beaches in the world. You can swim or climb the rocks at the back of the Blue Lagoon for a panoramic view.

In the afternoon, we will arrive at St. Nicholas Island, famous for its Byzantine church ruins and breathtaking sunset views. You'll have time to explore the island or simply relax in the bay.

We will spend the night here.

Day 3 – St. Nicholas Island - Kas

Early in the morning, while you enjoy a leisurely sleep-in, we will sail towards Yesilkoy Bay, a tranquil spot surrounded by olive trees. Here, you can have breakfast and take a swim in the peaceful surroundings.

Later, we will continue to Kas, a charming coastal town with a bohemian atmosphere. Wander through the cobbled streets lined with Ottoman-era houses, explore the renowned jewelry shops, or enjoy a drink at one of the stylish cafes. After dinner onboard, you'll have the evening to explore the town before spending the night in Kas Harbour.

Day 4 – Simena Castle - Ucagiz Village

This morning, we will sail to Simena, an ancient Lycian settlement. You can go ashore to climb to Simena Castle, where you'll be rewarded with breathtaking views of the coastline and the ruins of the ancient city. Scattered around the bay, you'll notice Lycian sarcophagi, some even partially submerged in the water.

After some time to explore, we will cruise to Ucagiz Village, a picturesque and tranquil seaside village. Here, you can swim in the calm waters, take a stroll along the shore, or relax onboard with a drink in hand. We will anchor in a nearby secluded bay for the night.

Day 5 – Sunken City - Gokkaya Bay

After a relaxed morning, we will cruise to the famous Sunken City of Kekova, an ancient Lycian settlement that was submerged following a 2nd-century earthquake. As we sail past, you will see the remains of houses and ruins beneath the water. Swimming is not permitted due to the area's protected status, but you will have a chance to admire this historical wonder from the deck.

Throughout the day, there will be plenty of swimming stops before we arrive at Gokkaya Bay, a stunning location where green hills meet turquoise waters. If you fancy a night out, you can visit Smuggler's Inn, a unique open-air nightclub accessible only by boat. Your crew can help arrange the transfer if you'd like to dance the night away with fellow travelers. Alternatively, you may choose to stay onboard, enjoying a peaceful evening under the stars.

Day 6 – Aquarium Bay - Kalkan

After breakfast, we will head to Aquarium Bay, known for its crystal-clear waters, making it an ideal spot for snorkeling.

Later, we will cruise to Kalkan, a former Greek fishing village famous for its stone houses, narrow streets, boutique hotels, and rooftop restaurants. You can explore the town, shop at charming local stores, or relax in one of the seaside cafes. For those interested, we can help organize optional trips to Patara Beach, or the ancient cities of Xanthos and Letoon.

After dinner onboard, we will anchor in a secluded bay outside Kalkan for the night.
