FIJI: MAMANUCA & YASAWA ISLANDS LIVEBOARD

Since the late 1980s, SSV has been guiding paddlers through the magic of Fiji. Now we're inviting you aboard the beautiful Sea Breeze III for a new way to explore the Yasawa and Mamanuca islands - by kayak, snorkel and small ship. Cruising approximately 100 nautical miles across this spectacular island chain, you'll glide over glassy lagoons, snorkel vibrant coral reefs, and paddle along palm-fringed beaches. Discover remote island villages, relax on deck with a cocktail at sunset, and dine under a blanket of stars. It's a tropical escape with all the adventure with none of the roughing it.
