ITINERARY

Day 1. Santa Cruz Island

Arrive at Baltra Airport and transfer to the Sea Star yacht. After lunch and a welcome briefing, visit Dragon Hill, one of Santa Cruz's newest visitor sites. Walk along the beach and lagoon lookout to observe flamingos, pintail ducks and land iguanas among palo santo trees and cacti forests.

Day 2. Santa Cruz & Santiago Islands

Explore Black Turtle Cove, a mangrove-fringed inlet teeming with young marine life such as rays, reef sharks and sea turtles, accessible only by dinghy.

In the afternoon, visit Chinese Hat Islet on Santiago Island, known for its lava formations and rich marine life. Snorkel with penguins, rays and sea lions in the clear waters.

Day 3. Genovesa Island

At El Barranco (Prince Philip's Steps), climb the cliff trail for magnificent views and encounters with red-footed boobies, short-eared owls and storm-petrels.

Continue to Darwin Bay, a coral-sand beach surrounded by mangroves. Walk the coastal trail to spot Nazca and red-footed boobies, swallow-tailed gulls and playful sea lions.

Day 4. Bartholomew & Santiago Islands

At Pinnacle Rock on Bartholomew Island, climb to the summit for one of the most spectacular panoramic views in the Galapagos. Snorkel in crystal waters alongside penguins and colourful reef fish.

Later, visit Sullivan Bay on Santiago Island to walk across the striking lava field shaped by past eruptions, dotted with small volcanic cones.

Day 5. Santa Cruz Island

Explore the lush Highlands of Santa Cruz, a contrast to the dry coastal zones. Walk among Scalesia forests, visit lava tunnels and see giant tortoises in their natural habitat.

After lunch, transfer to Baltra Airport for your flight back to the mainland.
